The War on Terror and American Popular Culture Andrew Schopp, Matthew B. Hill, 2009 The War on Terror and American Popular Culture is a collection of original essays by academics and researchers from around the world that examines the complex interrelation between the Bush administration's War on Terror and American popular culture Written by experts in the fields of literature film and cultural studies this book examines in detail how popular culture reflects concerns and anxieties about the September 11 attacks and the war those attacks generated how it interrogates the individual and collective impacts that war has wrought how it might challenge or critique current policy and how it might reinforce or endorse the war and its sociopolitical paradigms

Disgusting Bliss Lucian Randall, 2010-05-13 The Sunnewspaper asked if Chris Morris's July 2001 Brass Eye Special on paedophilia was the sickest TV ever It was certainly the most controversial though his uncompromising style of comedy meant he was rarely far from trouble Morris first came to national prominence at the heart of a group of virtually unknown comedians brought together by Armando Iannucci This book follows them from their 1991 news satire On the Hour which transferred from radio to television where it was reinvented as the equally successful The Day Today It became impossible to watch bulletins without thinking of Morris's Paxmanesque anchor character chastising a reporter Peter You've lost the news or authoritatively delivering nonsense headlines Sacked chimney worker pumps boss full of mayonnaise Meanwhile co star Steve Coogan created a lasting anti hero in Alan Partridge imbued with a horrible life all of his own But Morris himself was always the most compelling character of all Drawing on exclusive new interviews and original research this book creates a compelling portrait of Morris from his earliest radio days and of the comedians and writers who frequently took on the industry they worked in polarising opinion to such a degree that government ministers threatened to ban them entirely THIS IS THE NEEWWWS

Gender, Nation and State in Modern Japan Andrea Germer, Vera Mackie, Ulrike Wöhr, 2014-07-25 Gender Nation and State in Modern Japan makes a unique contribution to the international literature on the formation of modern nation states in its focus on the gendering of the modern Japanese nation state from the late nineteenth century to the present References to

gender relations are deeply embedded in the historical concepts of nation and nationalism and in the related symbols metaphors and arguments Moreover the development of the binary opposition between masculinity and femininity and the development of the modern nation state are processes which occurred simultaneously They were the product of a shift from a stratified hereditary class society to a functionally differentiated social body This volume includes the work of an international group of scholars from Japan the United States Australia and Germany which in many cases appears in English for the first time It provides an interdisciplinary perspective on the formation of the modern Japanese nation state including comparative perspectives from research on the formation of the modern nation state in Europe thus bringing research on Japan into a transnational dialogue This volume will be of interest in the fields of modern Japanese history gender studies political science and comparative studies of nationalism

Crushing Conceptualism in Modern Christianity Andrew Michael Denny,2019-09-18 A heavy spirit of conceptualism has infiltrated the modern Christian establishments Our traditions philosophies theologies etc Everything our beliefs are built upon has been influenced by an elite world class system Have you ever felt like there has to be more to our placement in this world than going through the motions of the Sunday morning ritual called church More to this thing we call Christianity If so this book is what you have been waiting for A truth movement has emerged A remnant of modern Ark Builders endeavors to awaken those who are still asleep Every day we see evidence of what the Bible describes as spiritual wickedness in high places Ephesians 6 12 Those who secretly govern our world have an agenda to unite and target professing Christians The motive is world dominance and the method is mind control to brainwash the mass into conforming to what is socially acceptable and politically correct But we are not ignorant of the enemy s strategies This book equips its readers with information exposing this deception as it bridges the gap between conspiracy theory and demonic activity You are about to open the door to a world you never knew existed a reality of which you never knew you were a part Prepare yourself Once you see you will never be able to unsee this realm again The Cinematic Life of the Gene Jackie Stacey,2010-04-02 A leading feminist film theorist argues that the cinema animates the tropes of and enacts our fears about cloning and other kinds of genetic engineering Seeds of Redemption Andy White,2021-05-24 Struggle of both the small and staggering sort is woven throughout all our lives It can erode our faith strip us of hope rob us of joy extinguish our vitality and diminish our capacity to love But because God is always present and at work seeds of redemption lie as hidden treasure buried in the ground of struggle By taking a deeply human look at various figures in the lineage of Jesus in Matthew 1 Andy White shows us that the people we once may have considered unlike us because of thousands of years of separation suddenly come close

in their pain loss and failures He too comes close as a man who has faced hardships to offer others a hand when their feet are unsteady By digging into the lives of these biblical sojourners White unearths hidden treasures guides readers on a journey of self discovery and points the way forward showing us ways to cultivate tenacious hope stronger faith and greater capacity to live and love as participants in God s ongoing redemption story
