May, 2007 Sample Text *Reversed the Curse* Ronny Lambert, 2009-10-14 From what Ive seen the best parts of life are always permanently cemented by great moments flashbacks so to speak If youve read the entire book youd know that I have a lot of special moments in my life and theres even more that I couldnt work into the manuscript With that being said this book to me is not only a work of art but its also a testament to me and my readers that I pride myself in squeezing the best out of life no matter what the situation It gives a clear explanation of the choices and decisions I and my generation battle with on a regular basis and it shows that Im willing to work as hard as I need to in order to accomplish my goals Even when the solutions seem outside of the box Ill do whatever is necessary to improve or maintain my living conditions Whether it be for work or for playtime Ive found out that if I dont put 100 percent into what Im doing Ill never know how great my accomplishments could be This book is one of the things in my life that Im most proud of Through this book I was able to explain how much friends and relationships in general can affect your life This is what makes trusting God even more important Ive had several times where Ive felt like I was in the wrong place or with the wrong people or with people that didnt really care as much as theyve led on But through trusting God and finding some patience life showed me that I was exactly where he wanted me to be The love and loyalty my friends

and family members have continually showed me is a true testament to that If I wouldve given up on a few people that I thought about giving up on I wouldve never known how great a particular relationship or two couldve turned out to be So with that being said my proudest accomplishment in this book is the fact that I have valued the people I was supposed to value the most and that they know Ive done everything in my power to shield them from lifes hard times as well The funny part about me falling out with a few people I loved is that if I never had to feel alone and these friends and family always protected me I wouldve never known how strong I really was Luckily for me God put a lot of people in my life that were honest intelligent and sincere and the bond that Ive shared with these people alone has made my life worthwhile But through the trials and tribulations that rested solely on my shoulders I was able to find my true inner strength And from what Ive seen Im a pretty strong individual Still through all of the good and bad looking at things from my friends and family members perspective I was able to see the mistakes that I couldnt recognize I was able to experiment with new ways to live my life better and I was able to learn to appreciate the different thoughts and gifts that make us all special human beings So to everyone that holds me down in Cleveland Atlanta and abroad I sincerely love you and always will even after my death Never forget that Ive learned a lot about life in my brief twenty eight years of existence and I wish I could share everything Ive learned with everyone whos alive And vice versa I also wish everyone else could share their learning experiences with me I think we all have things to teach each other When youre able to somehow connect the different struggles and paths of totally different people you can see that our differences are what let us connect the dots so to speak In other words our differences help us learn more about each other and more about life As a people I dont think we embrace our differences too well and thats something we all need to work on as a whole Unfortunately we cant undo our past mistakes but we can take one day at a time to perfect our way of life I hope that one day we all can perfect our lives to a level that makes God happy and at the same time helps us live life to the fullest Because certain Christians try to pressure certain beli
