Bailey,2000-06 Wake the Sleeping Giant uses anecdotes to show why students turn off in the school system who is responsible for turning the students off and methods with which to inspire the students to turn back on Most of the difficulties which face children today do not originate in the home They arise out of The Sleeping Giant our educational system This manuscript is written for parents and teachers It not only criticizes it gives solutions While the solutions provided in this book cost little financially they challenge the teachers education administrators and parents to change their whole approach to the child One section of the book details the methods I have used to take eighth grade basic math classes from a third grade level to pre algebra in less than three months Another explains an educational game called Challenge which I developed to encourage students to read for important facts develop questions learn to find the answers for themselves and peer teach The game is fun and can be used in conjunction with any text book As can be seen nightly on local and national newscasts our children are in crises Parents politicians and educators are desperate to find ways to motivate children to read write and do math I believe that Wake the Sleeping Giant helps us come closer to that ideal A sequel is being written at this time *The Strange Case of William Mumler, Spirit Photographer* Louis Kaplan,2008 In the 1860s William Mumler photographed ghosts or so he claimed Faint images of the dearly departed lurked in the background with the living like his well known photo of the recently assassinated Abraham Lincoln comforting Mary Todd The practice came to be known as spirit photography and some believed Mumler

was channeling the dead Skeptics however called it a fraudulent trick on the gullible taking advantage of the grieving at a time of suffering and loss Mumler's insistence that his work brought back the dead led to a sensational trial in 1869 that was the talk of the nation
