

**ADMISSION EXAMINATION
COURT PROCEDURES
PART 1**

17 MARCH 2021

MEMORANDUM

**PLEASE NOTE THAT THE GUIDELINE ANSWERS TO PREVIOUS PAPERS MAY
NOT BE A CORRECT REFLECTION OF THE LAW AND/OR PRACTICE AT THE
MOMENT OF READING.**

NOTE TO EXAMINER: *This guideline records the views of the drafters. There may be justifiable variations in practice which are brought out in the answers. When this happens the examiner should apply his discretion in marking the answer.*

QUESTION 1

[10]

1.1

1. Date, time, place where the collision had occurred. (1)
2. Which police station has the collision been reported to and what is the accident report number? (1)
3. Whether she has a copy of the Police Collision Report. (1)
4. The registration details of the driver of the truck. (1)
5. Photographs of the place of collision and of the material damages to the respective motor vehicles. (1)
6. Insurance details and particulars of the vehicle driven by her spouse. (1)
7. Independent witness statements, if any. (1)
8. Whether a post mortem was undertaken or inquest undertaken. (1)

Choose any 5 answers above, for 5 marks.

1.2

1. Request information on the business of the deceased spouse - financial statements, bank statements, vat returns, if VAT vendor. (1)
2. Enquire if Mrs Dlamini was employed, if so details to be obtained. (1)
3. Funeral expenses – who paid for them and a detailed itemised statement of account is needed. (1)
4. Request information on their marital regime. If married in community of property then the Final Liquidation & Distribution Account is needed for the actuarial calculation for loss of support. Her half share is deducted from her claim for loss of support. (1)
5. Request the details of the ages of her minor children. (1)

QUESTION 2

[6]

- 2.1 To compensate (1) persons for bodily injuries ($\frac{1}{2}$) or death ($\frac{1}{2}$) caused by or arising from the negligent driving of a motor vehicle.
- 2.2 Wrongdoers / Negligent Drivers / Owners of motor vehicles. (1)

Answers Ppe Paper March 2015

Sandra Joseph, Reena Marwah

Answers Ppe Paper March 2015:

Farming Is Not Big Gardening Thomas C. Mueller, 2019-05-14 This book is a light hearted yet informative narrative that discusses agriculture in the United States from a historical social and financial perspective It uses a storytelling technique to share the author s widely varied experiences on food and farming as he sees it Written in a somewhat satirical voice the book contains a wealth of information presented in fast moving easy to read prose

European Energy Security and US-Russian Competition Ioanna Mavromati, 2025-10-31 This book argues that the influence of US Russian security competition on the energy policies of EU member states and on the development of a unified European energy security policy has been significantly underestimated While most previous studies have focused on internal EU dynamics and the role of Russian interests this work takes a broader perspective by examining how transatlantic rivalries have shaped European approaches to energy security By tracing the evolution of European energy security policy from the Cold War era through the present the book connects shifts in policy to the changing dynamics of US Soviet and later US Russian energy competition It demonstrates that after the Soviet Union s collapse the United States did not initially view European reliance on Russian energy as a threat However as US Russian competition intensified Washington increasingly framed Europe s dependence on Russian gas as a security risk and actively sought to block the expansion of Russian energy infrastructure into Europe The book also explores how despite the EU s early treaties being energy focused energy security only became a central foreign policy concern for the Union in the mid 2000s Ultimately the author argues that scholars of international relations must consider both great power dynamics and intra European factors to fully understand the development of European energy policy The book will be of interest to students and researchers in geopolitics international relations energy politics regional studies and European studies

Managing Health, Safety and Well-Being Aditya Jain, Stavroula Leka, Gerard I.J.M. Zwetsloot, 2018-04-11 To achieve sustainable progress in workplace and societal functioning and development it is essential to align perspectives for the management of health safety and well being Employers are responsible for providing every individual with a working environment that is safe and does not harm their physical or mental health However the current state of the art indicates that approaches used to promote health safety and well being have not had the anticipated results At the level of the enterprise it is widely understood and accepted by all stakeholders that employers share the responsibility of promoting and managing the health of their workers Evidence indicates that most employers put in place procedures and measures to manage workers health and create healthy workplaces to meet legal requirements as a response to requests by employees as a need to improve company image reputation and to improve productivity This highlights that in addition to legal requirements the key drivers for companies also include the ethical and business case While much has been written about role of legislation and the business case for promoting health safety and well being not much is known about the ethical case for promoting employment and working conditions In this context this book examines the potential of the link

between responsible and sustainable workplace practices human rights and worker health safety and well being and explores how complementary approaches can be used to promote employment and working conditions and sustainability at the organizational level It offers a framework for aligning different approaches and perspectives to the promotion of workers health safety and well being and provides recommendations for introducing such an approach at the enterprise level

Handbook of Respiratory Protection LeeAnn Racz,Dirk P. Yamamoto,Robert M. Eninger,2017-11-22 Respiratory protection includes devices and management techniques for keeping people safe from hazardous materials This handbook presents the state of the art in respiratory protection technology as well as best management practices for work centers Included are topics relevant to industry government and healthcare that provide guidance and tools for ensuring the best possible protection for workers Most books on this topic are at least 20 years old Research technology and management techniques have advanced over the past two decades This new handbook is needed to provide updated information relevant to today s occupational needs for industrial hygiene and safety professionals

Ethics and Law for School Psychologists Susan Jacob,Dawn M. Decker,Elizabeth Timmerman Lugg,2016-08-01 Ethics and Law for School Psychologists is the single best source of authoritative information on the ethical and legal issues school psychologists face every day Designed specifically to meet the unique needs of psychologists in school settings this book includes the most up to date standards and requirements while providing an introduction to ethical codes ethical decision making and the legal underpinnings that protect the rights of students and their parents This new seventh edition has been extensively updated with the latest research and changes to the law with an increased focus on ethical legal considerations associated with the use of digital technologies Coverage includes new case law on privacy rights electronic record keeping the 2014 Standards for Educational and Psychological Testing digital assessment platforms the latest interpretations of the Individuals with Disabilities Education Act and more Ethics texts for counseling and psychology are plentiful and often excellent but this book is the only reference that speaks directly to the concerns and issues specific to psychologists in school settings Case vignettes end of chapter questions and discussion topics facilitate deeper insight and learning while updated instructor s resources bring this key reference right into the classroom Keeping up with the latest research and legal issues is a familiar part of a psychologist s duties but a practice centered on children in an educational setting makes it both critical and more complex Ethics and Law for School Psychologists provides a central resource for staying up to date and delivering ethically and legally sound services within a school setting

Pandemic Perspectives Sandra Joseph,Reena Marwah,2024-06-07 The book explores the impacts of the COVID 19 pandemic on nations across the globe since early 2020 It hosts a variety of perspectives within economic social and development research studies providing contemporary and proper information The book also presents policy prescriptions for developing economies critiques the system of disease surveillance and waste management and defines a vision for India s development It also mirrors issues related to digitisation marginalisation government regulations and health

systems and provides original ideas for innovative methodologies suitable for higher education Print edition not for sale in South Asia India Sri Lanka Nepal Bangladesh Pakistan and Bhutan **Achieving Success and Innovation in Global**

Sourcing: Perspectives and Practices Ilan Oshri, Julia Kotlarsky, Leslie P. Willcocks, 2015-12-08 This book constitutes revised selected papers from the 9th international Global Sourcing Workshop 2015 held in La Thuile Italy in February 2015 The 14 contributions included were carefully reviewed and selected from 40 submissions The book offers a review of the key topics in outsourcing and offshoring populated with practical frameworks that serve as a tool kit to students and managers The range of topics covered is wide and diverse but predominately focused on how to achieve success and innovation in global sourcing The topics discussed combine theoretical and practical insights regarding challenges that industry leaders policy makers and professionals face Case studies from various organizations industries and countries are used extensively throughout the book to illustrate results and findings **The European Commission, Expert Groups, and the Policy**

Process Julia Metz, 2015-08-11 This book challenges the assumption that policy makers work with advisory committees is emblematic of technocratic governance Analyzing how and why the European Commission uses expert groups in the policy process it shows that experts not only solve technical problems but also function as political devices and negotiators in modern governance **J. L. Austin** M. W. Rowe, 2023 J L Austin was one of the most influential philosophers of the twentieth century but also an intelligence officer in the Second World War This revelatory biography explores Austin s complex character his remarkable achievements in war and peace and the surprisingly dramatic events in his personal life
