

The background of the cover is a complex, abstract digital illustration. It features a central, glowing orange and yellow sphere that resembles a planet or a data node. This sphere is surrounded by a network of thin, intersecting lines in various colors (blue, green, red, yellow) that create a sense of depth and connectivity. The overall aesthetic is futuristic and technological, with a dark blue and black color palette. The title 'International Economics' is prominently displayed at the top in a large, serif font, with 'International' in a smaller, italicized font above 'Economics'.
