**Day by Day** Ruth Ayres, Stacey Shubitz, 2010 This book is a collaborative not isolated approach to teaching writing The book is organized around six fundamental components of writing workshop Each component is broken down into ten day sections so you can explore the topic in depth The authors provide daily encouragement support practical strategies tips advice and everything you need to run an effective writing workshop book cover

**Readers Front & Center** Dorothy J. Barnhouse, 2014 Every teacher wants and expects his or her students to be reading increasingly complex texts yet sometimes the gap between our expectations and our students abilities seems wide and deep It s tempting to look at that gap and step in to fill it for them but then we d be doing most of the heavy lifting the understanding analysis and interpretation that our students should be learning for themselves So how can teachers reverse this trend and ensure that our students are fully entering absorbing and experiencing texts How can we make sure they re making complex meaning independently and proficiently as the Common Core State Standards require Readers Front Center answers these questions by framing instruction that starts with the student You ll learn how to do the following Research and listen to your students so your teaching can be more targeted Notice and name your students thinking so they can see what complex thinking looks and sounds like Set your students up to be problem solvers Prepare your students to do increasingly complex thinking in increasingly complex texts Filled with examples of one on one conferences small groups and whole class scenarios this essential book provides an accessible and inspiring model of how and why we need to put students at the front and center of our teaching
