LIFE Guide to Digital Photography Joe McNally,Editors of Life,2010-10-19 Photography has been the business and the passion of LIFE since the original weekly magazine's inception in 1936 and it continues to be the business and passion of LIFE Books and LIFE.com in the new millennium But photography has surely changed during these many decades The rigs and gear of old have given way first slowly then all at once to sleek miracle machines that process pixels and have made the darkroom obsolete The casual photog puts eye to lens sets everything on auto and captures a photograph that is perfectly fine One of LIFE's master shooters in fact the final in the long line of distinguished LIFE staff photographers was Joe McNally and he has always believed that with a little preparation and care with a dash of enthusiasm and daring added to the equation anyone can make a better photo anyone can turn a keeper into a treasure This was true in days of yore and it's true in the digital age Your marvelous new camera fresh from its box can indeed perform splendid feats Joe explains in this book how to take best advantage of what it was designed to do and also when it is wise to outthink your camera or push your camera to go for the gold to create that indelible family memory that you will have blown up as large as the technology will allow and that will hang on the wall forevermore As the storied LIFE photographer and photo editor John Loengard points out in his eloquent foreword to this volume there are cameras and there are cameras and they've always been able to do tricks And then there is photography Other guides may give you the one two three of producing a reasonably well exposed shot but Joe McNally and the editors of LIFE can give you that and then can show you how to make a picture In a detailed friendly conversational anecdotal sometimes rollicking way that's what they do in these pages Prepare to click

[English Language Learners: Vocabulary Building Games & Activities, Ages 4 - 8](#) Karen Seberg,2008-09-03 Help children build the vocabulary needed to become a

successful English speaker This guide contains dozens of strategies for teaching new words through storytelling songs pictures books and more Includes over 1 000 reproducible picture and word cards with a guide for selecting the appropriate words and tips for supporting young English learners **The Ultimate Guide to iPhone Photography** Yasseen

Tasabehji, Moaz Tasabehji, 2022-12-13 The Key to Standout Photos Is in the Palm of Your Hand Taking professional quality photos doesn't require a fancy camera With the help of Yasseen and Moaz the photographer duo behind the wildly popular TikTok and Instagram accounts CameraBro you can learn to take stunning and unforgettable photos with your iPhone Yasseen and Moaz give you a crash course on everything you need to know about iPhone photography from finding the best lighting and framing your shots to adding motion and posing your model for the perfect portrait Hands on photo challenges throughout the book make it easy for you to put your newfound knowledge into practice resulting in cutting edge shots that look like the work of a professional photographer Don't have an iPhone No worries nearly all of the tutorials and techniques shared in this book translate perfectly to any smartphone camera Whether you're looking to take better shots to immortalize your vacation build an Instagram feed with an on point aesthetic or take next level selfies with the help of the Camera Bros your everyday photos will transform into something extraordinary **The Rough Guide to Digital Photography** Sophie
