Angeles Guide Los Time Time:

Latino Image Makers in Hollywood Frank Javier Garcia Berumen, 2014-08-15 Latinos have been part of the Hollywood film industry for more than 100 years yet beyond the remarkable success of a few their visibility and clout have generally not reflected their significance in American society Worse the Latino image has suffered from widespread stereotyping in film and performers face unjustified constraints in the kinds of roles available to them Decade by decade from 1960 onward this book analyzes important films made by or about Latinos details the careers of Latino performers and filmmakers of the time and analyzes how film portrayals of Latino characters and subjects connect with political and social trends of each decade It discusses the role of gender social class and ethnicity in film portrayals and provides an overview of the diverse and dynamic Latino community in the United States while celebrating a substantial and enduring contribution to Hollywood film history
