

Write a page answering the two questions in APA format including intext citation.

1. Compensation is a detailed concept, and many employers and employees view it's components differently.

- Explain how pereceptions of compensation differ among the various disciplinary concepts.

- Select at least three of those concepts and discuss how these concepts are evident in the compensation platform at your current or former employer (or another company you have researched).

2. Compensation discrimination can be costly to organizations and as such, companies must work hard to ensure that their compensation practices are in alignment with legislation.

- Locate an example of a company that has violated one of the compensation laws that was discussed in this module. Describe the violation and its outcome (so it is important that you do not select cases that that still pending).

- Discuss how the company can avoid similar violations in the future.

A Student's Search for Meaning Melissa Carter, James Fraser, Chelsea Garbell, Amy Wilson, 2023-11-25 This edited volume brings together reflections on how students pursue the search for meaning and purpose in the context of higher education It offers perspectives from humanities professors college chaplains of multiple faiths and observers of the changing shape of the American university as each considers the needs and expectations of today s students The collection address three key lines of inquiry what the student search for meaning looks like in the context of higher education how do presenters understand the dimensions of the search for meaning itself and how do or don t humanities faculty and religious life leaders talk to each other around the common student concerns addressed in both course work and the extracurricular world of religious life programs Together the conversation suggests that students pursue a search for meaning in the context

of university life and the academic curriculum but the particular dimensions of this search are yet undefined This is often a contested pursuit because it conflicts with the other purposes of the university which some see as primary A key audience for this book is university administrators who work in the field of chaplaincy and faith based programming as well as department chairs and faculty in the liberal arts who are directly involved in building humanities curriculum
