Systems from Hell David A. Rochefort, 2024-12-01 This book approaches contemporary fiction as a medium for policy advocacy one whose narrative devices both link it to and distinguish it from other forms of public discourse Using the framework of political agenda setting David A Rochefort analyzes the rhetorical function of problem definition played by literary works when they document and characterize social issues while sounding the call for systemic reform Focusing on a group of noteworthy realist novels by American authors over the past twenty years this study maintains that fictional narrative is a potentially influential instrument of empathic policy argument The book closes by examining the agenda setting dynamics through which a social problem novel can contribute to the process of policy change Welch trügerisches Herz

Viral Sensation. This spellbinding BookTok sensation from internationally bestselling author Ariana Godoy follows a nineteen-year-old battling agoraphobia as she forms an unexpected connection with the host of her favorite college radio show. Klara Rodriguez has barely left her house in eight agonizing months. Imprisoned by agoraphobia and anxiety, she has seen her world shrink to the walls of her bedroom, where every other night, one voice pierces through her isolation. It belongs to Kang, the soothing, thoughtful host of her favorite late night college radio program. Then, an unexpected text message changes everything. The voice that has been her invisible companion suddenly has a life beyond the airwaves. As their connection deepens, it becomes the fragile thread Klara clings to while fighting to reclaim pieces of herself. Can you fall in love with someone you've never seen? Can a voice become your anchor in the storm? And is Klara strong enough to face not only the outside world but the person she loves? In a moment of desperate courage, Klara enrolls in community college. But she realizes the universe has a sense of humor when she discovers that Kang's schedule overlaps with her only in-person class. Now Klara's greatest battle isn't just against the pull of her bedroom walls; it's facing the person she might already love. Aching, raw, and profoundly hopeful. Follow My Voice reminds us that sometimes the most important voice to follow is the one we find within ourselves, even when it's the hardest one to hear. Though it doesn't hurt if you find love and friendship along the way. *Hooked* Emily McIntire, 2022-09-20. Once upon a time, there was a little boy. His belly full of laughter, his life full of joy. Until one day, something changed, stripped his innocence away. The hole inside, making space for the devil to come and play. His dreams gone forever, he grew up way too fast. An endless night of crocodiles and watches made of glass. He grew into a villain, the taste of vengeance on his tongue. Craving to make his enemies pay for the misdeeds they had done. Instead, he found a Darling girl and refused to let her go. For what better way to make the man pay than to steal his little shadow?
