Urban Fantasy Tricks:

A Trick of the Shade: A fast-paced fae urban fantasy (Gravity's Daughter Book 2) Stephanie Caye, 2023-10-13 You can't put just saved the world on a resume. Ask me how I know. Jude's drifting in Montreal, low on both funds and purpose. Eking out a normal life is surprisingly difficult for someone whose strongest marketable skill is her ability to manipulate gravity. Who knew landing a steady job would be a bigger challenge than hunting supernatural creatures? Then her scant few acquaintances begin turning up dead around the city, their hearts missing. All signs point to a vicious shade, a Faerie cursed to live forever in a ghoulish fate worse than death as the culprit. But Jude's never even heard of shades before now, so why do these killings seem designed to bait her? Racing to find the answer and stop the murders brings her to old friends, new enemies, and every shift in variation in between. While risking life and limb battling a sinister Faerie monster may not be normal, it's a routine Jude knows by heart. And it beats working retail. *Carniepunk: Parlor Tricks* Jennifer Estep, 2013-06-03 Come one, come all! Lyne, Shadows whisper, mirrors lie, and Rumpelstiltskin's trials demand more than courage. Will Cassia's choices lead to triumph or ruin? Cassia Silverstream has always felt the weight of expectation. As the daughter of a prestigious family and a natural leader, she's determined to prove she belongs at Nightshade Conservatory, the university for magic's elite. But when she and her team are thrust into a high-stakes competition, the price of failure becomes all too real. To claim the Heart of Erebus, an ancient artefact of unimaginable power, Cassia must guide her group through deadly trials orchestrated by the cunning trickster Rumpelstiltskin, designed to test their courage, loyalty, and resolve. As doubts about her leadership simmer and the artefact's seductive power tempts her with promises of strength and certainty, Cassia faces her greatest challenge yet: confronting the person she fears she could become. Can Cassia hold her team together, resist the allure of ultimate power, and prove to herself she's the leader they need? Or will the trials expose her deepest flaws and cost them everything?
