New Hampshire Register, State Yearbook and Legislative Manual ,1993 *Gale's Auto Sourcebook* ,1991 Guide to information on cars and light trucks Urban Deer Havens Clark E. Adams,Cassandra LaFleur Villarreal,2020-05-06 Urban Deer Havens consists of a thorough examination of selected cervid deer species that are known to inhabit urban communities in the United States The deer species that are included in this presentation consisted of white tailed *Odocoileus virginianus* Key deer *O. virginianus* moose *Alces alces* elk *Cervus elaphus* mule *Odocoileus hemionus* and black tailed deer *O. columbianus* This book is the first attempt to examine the similarities and differences in those factors that allow the selected cervids to exist and thrive in urban habitats This information has never been collected collated reviewed and published under one cover document Yet all five are known to inhabit urban communities within their geographic range The lack of information concerning several important examples of urban cervids in conjunction with a proliferation of information on white tailed deer only is an incomplete and biased presentation This book is the first comprehensive source of information on urban deer management which includes a broad assemblage of urban cervids The overall objective of this book is to provide a more holistic examination of urban cervids For example it examines the similarities and differences of the environmental impacts management strategies and human dimensions considerations concerning urban cervids in general and using specific examples Urban Deer Havens features four chapters that include Urban deer census techniques and population dynamics Comprehensive tables that review urban community deer management plans National and state wide estimates the five selected cervids Laws and regulations concerning urban deer Lethal and nonlethal management options for managing deer Steps for managing urban deer populations Examples of urban deer management efforts *Trees of the Northern Pacific Coast* Robert Weiss,2024-05-07 *Trees of the Northern Pacific Coast* is a photographic guidebook that identifies over sixty of the most prominent native and naturalized tree species of the coastal region spanning from California Oregon and Washington to British Columbia and Southern Alaska Entries for each species contains a full description that details shape and form physical characteristics habitat wildlife uses and information on identifying potential signs of disease and damage Each entry will also include multiple photographs detailing the tree s bark needles leaves seeds pinecones and overall appearance *Applications for Advancing Animal Ecology* Michael L. Morrison,Leonard A. Brennan,Bruce G. Marcot,William M. Block,Kevin S. McKelvey,2021-05-11 The authors consider individual organisms before considering habitats they demonstrate how to apply such an approach to animal ecology in the field The book is meant for wildlife professionals who are interested in exploring what kinds of insights this alternative approach can yield **Mammals of the Great Lakes Region, 3rd Ed.** Allen Kurta,2017-05-12 Revised and expanded edition of the classic *Mammals of the Great Lakes Region* Invasive Species in Forests and Rangelands of the United States Therese M. Poland,Toral Patel-Weynand,Deborah M. Finch,Chelcy Ford Miniati,Deborah C. Hayes,Vanessa M. Lopez,2021-02-01 This open access book

describes the serious threat of invasive species to native ecosystems Invasive species have caused and will continue to cause enormous ecological and economic damage with ever increasing world trade This multi disciplinary book written by over 100 national experts presents the latest research on a wide range of natural science and social science fields that explore the ecology impacts and practical tools for management of invasive species It covers species of all taxonomic groups from insects and pathogens to plants vertebrates and aquatic organisms that impact a diversity of habitats in forests rangelands and grasslands of the United States It is well illustrated provides summaries of the most important invasive species and issues impacting all regions of the country and includes a comprehensive primary reference list for each topic This scientific synthesis provides the cultural economic scientific and social context for addressing environmental challenges posed by invasive species and will be a valuable resource for scholars policy makers natural resource managers and practitioners

Holograms Sean F. Johnston, 2015-12-03 Holograms have been in the public eye for over a half century but their influences have deeper cultural roots No other visual experience is quite like interacting with holograms no other cultural product melds the technological sublime with magic and optimism in quite the same way As holograms have evolved they have left their audiences alternately fascinated bemused inspired or indifferent From expressions of high science to countercultural art to consumer security holograms have represented modernity magic and materialism Their most pervasive impact has been to galvanise hopeful technological dreams Engineers artists hippies and hobbyists have played with and dreamed about holograms This book explores how holograms found a place in distinct cultural settings It is aimed at readers attracted to pop culture visual studies and cultural history scholars concerned with media history fine art and material studies and most of all cross disciplinary audiences intrigued about how this ubiquitous but still mysterious visual medium grew up in our midst and became entangled in our culture This book explores the technical attractions and cultural uses of the hologram how they were shaped by what came before them and how they have matured to shape our notional futures Today holograms are in our pockets as identity documents and in our minds as gaming fantasies and faux hologram performers Why aren't they more often in front of our eyes [Thomas Register of American Manufacturers and Thomas Register Catalog File](#) ,2002 Vols for 1970 71 includes manufacturers catalogs **THOMAS REGISTER 2005** ,2005
