Corporate Strategy in Post-Communist Russia Mikhail Glazunov,2016-05-12 Russian businesses in the post Soviet period have been noted for their unusual sometimes allegedly corrupt business practices and for their role in the enrichment of oligarchs This book which includes a wide range of case study examples and which draws on the author s first hand experience of running a Russian company argues that a key to understanding contemporary Russian business is the importance of arbitrage that is the ability to take advantage of price and cost differentials in different markets The book argues that the conditions for such arbitrage advantages are often created by businesses which have special links to particular institutions that arbitrage benefits are not available to all businesses in a sector thereby providing unfair competitive advantages to some businesses and that businesses overall activities are often distorted by this system The book includes an analysis of a wide range of different types of arbitrage activities in action

Bye bye white guy D. Moerin,2010-01-20 Bye bye white guy is a diary of news events that have taken place over the

period of a year in South Africa and how I an average middle class middle aged white man interpret them and depict the implications I feel they have in store for the future of the country to the extent that I have taken the difficult decision to emigrate I use what I have written to justify to my family and friends that the course of action that I have taken is the correct one We as a society have become so accustomed to increasing crime and decreasing basic services murder is no longer front page news only a small percentage of stories making page three In my view the government has three policies corruption nepotism and non accountability the solid foundation of any proven longstanding destructive dictatorship All of the information has been gathered via news reports and this is but the tip of the iceberg This book is not the ramblings of a bitter white man in post apartheid South Africa it is the ramblings of an angry white man who does not want a front row seat on the real life drama How to destroy a beautiful country and its proud people the African blueprint an ongoing production that has slowly made its way down through Africa same plot different players *BMW M* Tony Lewin, 2021-12-21 If BMW cars are the ultimate driving machines then BMW's M cars and motorcycles are the legendary manufacturer's ne plus ultra offerings BMW M celebrates the 50th anniversary of this prestigious German enthusiast brand **5th International Munich Chassis Symposium 2014** Peter E.
