

Answer these questions on a separate sheet of paper and answer them in detail as you read.

## **Night By Elie Wiesel- Study Guide**

The following questions are meant to help you focus your reading for upcoming quizzes and the tests. If you can answer the questions after reading each chapter, you will clearly understand the novel and be prepared—perhaps over prepared—for the quizzes and test.

### **Chapter 1**

1. How does Wiesel describe himself as a boy of 12?
2. What happened to Moshe?
3. Several months later, Elie saw Moshe the Beadle again. What story did Moshe tell?
4. How had Moshe changed as a result of his experience? (Him, Motif)
5. How did people in the village react to Moshe's story? Why do you suppose they reacted this way?
6. In the Spring of 1944, what political changes occurred in Hungary?
7. After the Germans arrived in Sighet, what was the prevailing attitude among the residents?
8. After Passover, Wiesel says, "the curtain rose" (p. 8). What does this refer to? What happened?
9. What was bitterly ironic about the comments that Wiesel's father made regarding the wearing of the yellow star?
10. How did the Jews react to this?
11. Despite all that happened, even after the Germans entered the capital of the Budapest, Wiesel tell us that people still remained optimistic about their future. How can you explain this optimism?
12. In this Chapter Wiesel uses images from nature. How does he use the sun?
13. What does this imagery of night suggest?  
"Night. No one prayed, so that the night would pass quickly. The stars were only sparks of the fire which devoured us. Should that fire die out one day, there would be nothing left in the sky but dead stars, dead eyes" (p.8).
14. Identify each of the steps in the German plan, and point out how the cunning of the German plan and the people's human need for optimism in the face of danger led the Jews of Sighet to the transports to *Auschwitz*?

### **Chapter 2**

1. After several days of the travel, what did the prisoners finally realize?
2. When prisoners were finally unloaded from the train, where were they? What was significant about the time?
