problems dissolve them In the journey of life when we are engulfed by problems we tend to lose sight of the purpose of our
journey Life then appears like a medley of problems What if you came to know that problems occur to enrich you with

diamonds You can then become richer and wiser with every problem You may wonder how this could be so and what these diamonds are This book unravels the role of problems in life It shows how to find the diamonds hidden in every problem Just as Arjuna received wisdom from Lord Krishna leading to the eighteen chapters of the Bhagavad Gita this book is like a little Gita that presents eighteen approaches to solve any problem It also presents the ultimate way to dissolve problems Whenever you re faced with a problem you can go through these approaches find the one that is relevant to your context and reflect on it to take necessary action When you attain freedom from problems they no longer remain problems instead they serve as springboards to raise you higher in life You then can be happy amidst all situations of life
