Globalisation and National Identity in History Textbooks Joseph Zajda, 2017-07-06 Globalisation and National Identity in History Textbooks The Russian Federation the 16th book in the 24 volume book series Globalisation Comparative Education and Policy Research discusses trends in dominant discourses of identity politics and nation building in school history textbooks in the Russian Federation RF The book addresses one of the most profound examples of the re writing of history following a geo political change Various

book chapters examine debates pertaining to national identity patriotism and the nation building process The book discusses the way in which a new sense of patriotism and nationalism is documented in prescribed Russian history textbooks and in the Russian media debate on history textbooks It explores the ambivalent and problematic relationship between the state globalisation and the construction of cultural identity in prescribed school history textbooks By focusing on ideology identity politics and nation building the book examines history teachers responses to the content of history textbooks and how teachers depict key moments in modern Russian history This book an essential sourcebook of ideas for researchers practitioners and policymakers in the fields of globalisation and history education provides timely information on history teachers attitudes towards historical knowledge and historical understanding in prescribed Russian history textbooks

The Palgrave Handbook of Artistic and Cultural Responses to War since 1914 Martin Kerby, Margaret Baguley, Janet McDonald, 2018-12-05 This handbook explores a diverse range of artistic and cultural responses to modern conflict from Mons in the First World War to Kabul in the twenty first century With over thirty chapters from an international range of contributors ranging from the UK to the US and Australia and working across history art literature and media it offers a significant interdisciplinary contribution to the study of modern war and our artistic and cultural responses to it The handbook is divided into three parts The first part explores how communities and individuals responded to loss and grief by using art and culture to assimilate the experience as an act of survival and resilience The second part explores how conflict exerts a powerful influence on the expression and formation of both individual group racial cultural and national identities and the role played by art literature and education in this process The third part moves beyond the actual experience of conflict and its connection with issues of identity to explore how individuals and society have made use of art and culture to commemorate the war In this way it offers a unique breadth of vision and perspective to explore how conflicts have been both represented and remembered since the early twentieth century

The Top Books of the Year Answers For World History Textbook The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year. Answers For World History Textbook : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Answers For World History Textbook : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
