All Things to All People: Confessions of a Rebellious Preacher's Son Begees McFree,2019-08-16

All Things to All People is an introverted narrative penned by the son of a Gospel preacher and his alter ego Begees McFree This playfully written autobiography of a simple quiet and peaceable man guides the reader through depression induced insomniac confessions Looking deep into the often hidden places of the heart and mind these confessions freed the writer from lies and misunderstandings that had been buried deep within All Things to All People shares the spiritual struggle of a man after a divorce broke apart his life and separated him from his children Begees uses freewriting to disentangle his poor choices from his good intentions gaining more selfcontrol and growing closer to God while strenuously pushing unbelief out of his mind

Man on Purpose David Johnson, 2019-10-11 When the first man Adam heard the voice of God walking through the Garden of Eden he hid himself The Bible says that he hid himself because he was naked To uncover a good application let s examine the word naked May I suggest that he hid himself because he was unprepared misinformed or simply not ready He was perhaps as are many men today not in place nor proper form He was not dressed He was not adorned with a sense of power or purpose He had no strength or motivation Perhaps he was in a position of authority but powerless to perform the expectations and duties of the position he held He was supposed to make things better but he made a mess of almost everything he touched because he did not understand his purpose He did not understand his relationship to what he touched nor did he understand himself Adam hid himself then as many men hid themselves today Adam was not functioning according to his created purpose What was his created purpose and why did he cover himself with fig leaves I will answer the question of his created purpose directly in chapter 3 of this book For now let s talk about the fig leaves Today s man covers himself with fig leaves called crime theft

murder rape and domestic violence to name a few They end up incarcerated imprisoned and extricated from the place of purpose Today s man hides from child support or they hide themselves from the child and family altogether Some become career criminals effectively wasting their lives away All too often men seem to seek and discover ways to be absent When he does not fix the problem the problem fixes him What he will not control begins to control him What he refuses to master now masters him and thus begins the societal reality and the sad plight of fatherless young men Women are left alone to rear and train and to raise them God asked the question Adam where art thou So with the same intention of calling men out of obscurity and into accountability and presence I now also ask Men where are you *SUN TZU ENTREPRENEURSHIP™*

What You See Is What You Hear Dario Martinelli, 2020-01-01 *What You See Is What You Hear* develops a unique model of analysis that helps students and advanced scholars alike to look at audiovisual texts from a fresh perspective. Adopting an engaging writing style, the author draws an accessible picture of the field, offering several analytical tools, historical background, and numerous case studies. Divided into five main sections, the monograph covers problems of definitions, history, and most of all, analysis. The first part raises the main problems related to audiovisuality, including taxonomical and historical questions. The second part provides the bases for the understanding of audiovisual creative communication as a whole, introducing a novel theoretical model for its analysis. The next three parts focus on the model in all its constituents, and with plenty of case studies taken from the field of cinema, TV, music, videos, advertising, and other forms of audiovisuality. Methodologically, the book is informed by different paradigms of film and media studies, multimodality studies, structuralism, narratology, auteur theory, in the broad sense, communication studies, semiotics, and the so-called Humanities. *What You See Is What You Hear* enables readers to better understand how to analyze the structure and content of diverse audiovisual texts, to discuss their different idioms, and to approach them with curiosity and critical spirit. *The Mystery of Faith* Travis

Jamieson, 2025-05-27 In a time when many are questioning or leaving the church disillusioned by hypocrisy and the damage caused by rigid belief systems, *The Mystery of Faith: Why the Gospel is Good News* calls readers back to the heart of Christianity. Jesus himself. This book explores how the person and work of Christ form the foundation of Christian faith, a reminder that Christianity isn't about moral perfection, political alignment, or institutional loyalty, but about the good news that Christ has died, Christ is risen, and Christ will come again. For those struggling with doubt, deconstruction, or frustration with the church, this book offers a fresh invitation to rediscover the beauty of the gospel. For pastors and church leaders, it serves as a guide for leading congregations back to the central truths of the faith. Through thoughtful reflection and a clear, compelling vision of the gospel, *The Mystery of Faith* encourages readers to see why, despite everything, Jesus is still worth believing in.
