many jazz pianists have never been heard on the radio or even mentioned in any jazz book Blue Notes Robert P. Vande Kappelle,2011-04-07 Music like romance is the language of the soul Music allows us to express ourselves and in so doing makes us feel alive Jazz music the only art form created by Americans reminds us that the genius of America is improvisation a good beat a contagious rhythm an emotional ballad creative improvisation jazz has it all Jazz is the story of extraordinary human beings black and white male and female children of privilege and children of despair who were able to do what most of us only dream of doing create art on the spot Their stories are told in Blue Notes Blue Notes contains profiles of 365 jazz personalities one for each day of the year Each vignette tells a story some heartwarming others tragic but all memorable The daily entries also provide valuable information on jazz styles jazz history instruments and instrumentalists and such related topics as jazz and religion women in jazz drug and alcohol abuse and racism These topics can be referenced through an extensive set of indexes The book s appendix includes helpful background information a concise overview of jazz music and

even a quiz on jazz biography While Blue Notes is written for jazz fans in general experts will value its comprehensive nature So whether you are curious about jazz or simply love and appreciate music Blue Notes will provide daily moments of discovery and help you recognize what the rest of the world already has a music so compelling that it can be said to define the human being in the twentieth century **Jazz and Cocktails** Jans B. Wager,2017-03-21 Film noir showcased hard boiled men and dangerous femmes fatales rain slicked city streets pools of inky darkness cut by shards of light and occasionally jazz Jazz served as a shorthand for the seduction and risks of the mean streets in early film noir As working jazz musicians began to compose the scores for and appear in noir films of the 1950s black musicians found a unique way of asserting their right to participate fully in American life Jazz and Cocktails explores the use of jazz in film noir from its early function as a signifier of danger sexuality and otherness to the complex role it plays in film scores in which jazz invites the spectator into the narrative while simultaneously transcending the film and reminding viewers of the world outside the movie theater Jans B Wager looks at the work of jazz composers such as Miles Davis Duke Ellington and Billy Strayhorn Chico Hamilton and John Lewis as she analyzes films including Sweet Smell of Success Elevator to the Gallows Anatomy of a Murder Odds Against Tomorrow and considers the neonoir American Hustle Wager demonstrates how the evolving role of jazz in film noir reflected cultural changes instigated by black social activism during and after World War II and altered Hollywood representations of race and music **Choice** ,2006-03 **NEA Jazz Masters** ,2008 CD contains over 40 Jazz Moments originally aired on XM Satellite Radio which include interviews musical samples historical information and first person anecdotes **Wading in Water** Robert P. Vande Kappelle,2021-11-11 At a time when people are increasingly considering themselves spiritual but not religious Wading in Water speaks of spirituality as an individual s connection to a greater whole Hence the process of coming to know what we call God is also the process of knowing oneself Thinking comprehensively spirituality involves what is what can be and what ought to be When activity rationality and morality are infused with creativity and imagination meaning that when body mind and soul are inspirited or harmonious with Spirit spirituality is authentic healthy and vital Healthy spirituality is integrative both individually and corporately in that it emerges from wholeness and yearns for wholeness How do we know if we are on a path to increased wholeness When we experience not only individual well being but help generate the same well being toward others In other words wholesome self love leads to greater love for others and for all of life While Wading may be seen as a text on spirituality its uniqueness is its connection of spirituality with creative arts such as poetry literary allegory film music theatre drama and dance Wading is not a comprehensive study for the purpose is to promote the enrichment of life through beauty creativity diversity risk taking newness serendipity and synchronicity joint features of spirituality and the arts Like its companion text Walking on Water this volume is useful for individual or group study Each chapter concludes with questions suitable for discussion or reflection Africana Anthony Appiah, Henry Louis Gates (Jr.),2005 Ninety years after W E B Du Bois first articulated the need for the

employees to answer questions when the music librarian is not available Whatever the scenario this volume will serve as a helpful training tool for library employees to learn about the basic music reference tools and to develop the techniques of greatest use when answering the most common types of music related questions
