JOBBER, DAVID, 2009-12-16 EBOOK Principles and Practice of Marketing **Musical Genre** Mads Krogh, 2025-01-09 From recent decades digitization have emerged a myriad of techniques for mapping musical life identifying patterns in sound or musico cultural practices and compiling labels names tags and classes on an unprecedented scale Proliferating genre catalogs in the context of digital platforms and the conjunction of genre with notions of for example mood and activity are among the consequences which challenge prevailing scene based and identificational understandings in musical genre studies This book answers to this challenge Centering on the concepts of musico generic assemblage and abstraction it offers new perspectives on musical genre fit for current times but with the potential for also reconsidering historical cases

[Global eBook 2017](#) Rüdiger Wischenbart, 2017-07-03 The Global eBook Report 2017 is highlighting and measuring the relevant international trends Tracking main market developments and the diversity of relevant drivers in North and South America Europe and Asia The segmentation of book markets in print and digital European ebook markets in great and previously unavailable detail based on in depth data provided by leading distributors Ebooks in the context of the overall transformation in international publishing Global players and their impact on re shaping the international business of books

By 2017 ebooks are so much more than yet another format and edition of printed books. Instead, in a global perspective with in-depth data analysis, allow a realistic and precise understanding of how consumer publishing has become a highly diverse and segmented business with hugely different developments in the big English language countries in continental Europe and in emerging economies.

Global Communication Thomas L. McPhail, Steven Phipps, 2019-12-24. Discusses the players, theories, and trends that affect how the world communicates and gets their information. This book is a definitive text on multinational communication and media conglomerates, exploring how global media influences both audiences and policy makers around the world. Comprehensively updated to reflect the many fast-moving developments associated with this dynamic field, this new edition investigates who and where certain cultural products are coming from and why, and addresses issues and concerns about their impact all over the world.

Global Communication Theories Stakeholders and Trends 5th Edition has been thoroughly updated with new content, trends, and conclusions all based on the latest data. The book examines broadcasting, mass media, and news services ranging from MSNBC, MTV, and CNN to television sitcoms and Hollywood export markets. It investigates the roles of the major players such as News Corp, Sony, the BBC, Disney, Bertelsmann, Viacom, and Time Warner, and probes the role of advertising and the Internet and their ability to transcend national boundaries and beliefs. New chapters look at the growing importance and significance of other major regions such as the media in the Middle East, Europe, and Asia. Outlines the major institutions, individuals, corporations, technologies, and issues that are altering the international information, telecommunication, and broadcasting order. Focuses on a broad range of issues, including social media and new services like Netflix, as well as Arab and Asian media. Includes major updates on discussion of the Internet to incorporate global events over the last few years such as Russian use thereof, Facebook, Google, etc. Looks at how streaming services such as Netflix, Amazon, Spotify, and more have emerged as dominant players in world entertainment. Offers an updated instructor's website with an instructor's manual, test banks, and student activities.

Global Communication Theories Stakeholders and Trends 5th Edition is intended as an upper-level undergraduate text for students in courses on International Global Communication, Global Media, Journalism, and Media Systems in Journalism, Communications, or Media Studies Departments.
