529 & Education Savings Plans For Dummies Margaret A.

Munro,2023-03-14 Don't let money get in the way of your kids' best education 529 Education Savings Plans For Dummies helps you sort through the vast amount of information about education savings accounts and choose the plans that are best for you and your family. A college or private K-12 education is generally parents' single largest expense for their children. 529 plans and 530 plans Coverdell accounts are relatively solid investment vehicles that can make saving for college much easier, providing tax advantages that other types of investments can't match. Education savings can be part of your overall wealth accumulation strategy, and this book can show you which plans are right for you, help you decide when to start saving, and guide you through determining how much to save per year in order to meet your goals and help your kids meet theirs. Learn about the different types of tax-sheltered and tax-advantaged ways to save for education. Create a saving and investment strategy that makes sense for your family. Demystify the 529 and 530 plan rules and maximize your tax advantage. Help set your kids on the path to success and to their college of choice. This is the perfect Dummies guide for parents or family members who want to begin saving for a college or K-12 education and who may want to supplement their current savings with tax-sheltered education-specific accounts or tax-advantaged investment accounts that may be used for education funding.

Buying and Selling a Home For Canadians For Dummies Tony Ioannou, Heather Ball, 2010-05-13 Whether you're new at the home buying or selling game in Canada or whether you've played it before, most of us dread the onslaught of flashy, fast-talking real estate agents and property managers. Well, help has arrived. This revised edition of *Buying and Selling a Home For Canadians For Dummies* prepares you to get what you need and want when buying a new home or selling the one you're in. Everything from arranging your finances and hiring an agent to researching neighbourhoods and assessing home values is presented in a clear and humorous way to help you get the most out of the process. Important information to help you market your home and sell for the highest possible price. Negotiate the best price and terms of sale. Find the right new neighbourhood with reasonable prices and the type of housing to suit you and your family. Decide whether or not to hire an agent and tips on how to choose a good one. Select the best mortgage and understand tax considerations. Updated in the 2nd Edition. Examining zero percent down payments, lines of credit, and other alternatives to conventional mortgages. Using the Net. New useful sites and what to watch out for. Buying condominiums. An expanded chapter full of useful information on what you need to know before you buy. Selling your home on your own. Expanded online resources and tips. Fixing up your home to sell. Tips from the designers on how to make your home as sellable as possible.
