

2011 MITSUBISHI OUTLANDER SERVICE MANUAL Volume 1

FOREWORD

This service manual is subdivided into various group categories. Each section contains diagnostic, disassembly, repair, and installation procedures, along with complete specifications and tightening references. Use of this manual will aid in properly performing any service necessary to maintain or restore the high levels of performance and reliability designed into this Mitsubishi vehicle.

This manual is designed for use with the 2011 Service Manual Volume 2, 3 and the 2007 OUTLANDER *Body Repair Manual* to provide complete service information for the OUTLANDER.

When reference is made in this manual to a brand name, number, or specific tool, an equivalent product may be used in place of the recommended item. All information, illustrations and specifications contained in this manual are based on the latest product information available at the time of publication approval. The right is reserved to make changes at any time without notice.
