...solid knowledge of the Arabic language
...together with his feeling for words, has enabled him to forge
...poetic style. His use of certain Arabic letters in association
...certain sounds and meanings which are then repeated at more
...less regular intervals has acted as both stabilizer and background
...music for many of his poems. This is but one of the techniques
...that he has initiated and perfected.

But his style, though "rooted in his steps," has continually
...evolved. As a result, one is frequently surprised at new combinations
...and contrasts—surprised and pleased. Moreover, his influence
...upon other poets of the Arab world has not been negligible; one detects
...Adonisian echoes in the works of Jalil Haidar, Moayad el-Rawdi
...and other poets of Iraq, François Bassily of Egypt, and Mahmoud
...Adwan of Syria.

Apart from his purely linguistic contributions to contemporary
...Arabic poetry, Adonis has constantly striven to relate Arabic
...poetry to the world without having it lose its identity. This problem
...had for generations been at the very heart of Arabic literature;
...it was either diluted by Western influence, mainly in French
...and French (the language came along with the influence), or
...consigned to folklore. Adonis has done much to establish Arabic
...poetry as a world literature.

A Stormy Night Translated Into English English Edition
