A Treatise on the Calculus of Finite Differences (Classic Reprint) George Boole, 2017-11-21 Excerpt from *A Treatise on the Calculus of Finite Differences* As such Treatises as the present are in close connexion with the course of Mathematical Study at the University Of Cambridge there is considerable difficulty in deciding the question how far they should aim at being exhaustive I have held it best not to insert

investigations that involve complicated analysis unless they possess great suggestiveness or are the bases Of important developments of the subject Under the present system the premium on wide superficial reading is so great that such investigations if inserted About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
