Application Acceleration and WAN Optimization Fundamentals Ted Grevers Jr., Joel Christner CCIE No. 15311, 2012-01-10

IT organizations face pressure to increase productivity improve application performance support global collaboration improve data protection and minimize costs In today's WAN centered environments traditional LAN oriented infrastructure approaches are insufficient to meet these goals Application Acceleration and WAN Optimization Fundamentals introduces a better solution integrating today's new generation of accelerator solutions to efficiently and effectively scale networks beyond traditional capabilities while improving performance and minimizing costs through consolidation Ted Grevers and Joel Christner begin by reviewing the challenges network professionals face in delivering applications to globally distributed workforces You learn how accelerators are transforming application business models enabling IT departments to centralize and consolidate resources while also delivering consistently superior performance Grevers and Christner show how to identify network consumers prioritize traffic and guarantee appropriate throughput and response times to business critical applications You learn how to use quality of service techniques such as packet classification and marking and traffic policing queuing scheduling and shaping Next you compare options for integrating accelerators and optimization services into your network and for optimizing content delivery The authors show how to address application protocol related performance problems that cannot be resolved through compression or flow optimization alone In the final chapter the authors walk you through several real world scenarios for utilizing accelerator technology Ted Grevers Jr is the solution manager for the Cisco Video IPTV Systems Test and Architecture C VISTA team He has extensive experience in the content delivery network CDN market focusing on enterprise and service provider content delivery and application optimization needs Joel Christner CCIE No 15311 is the manager of technical marketing for the Cisco Application Delivery Business Unit ADBU He has extensive experience with application protocols acceleration technologies LAN WAN infrastructure and storage networking Grevers and Christner are key contributors to the design and architecture of Cisco application delivery and application acceleration solutions Provide high performance access to remote data content video rich media and applications Understand how accelerators can improve network performance and minimize bandwidth consumption Use NetFlow to baseline application requirements and network utilization Ensure network resources are allocated based on business priorities Identify performance barriers arising from networks protocols operating systems hardware file systems and applications Employ application specific acceleration components to mitigate the negative impact of latency and bandwidth consumption Integrate content delivery networks CDN to centrally manage the acquisition security and distribution of content to remote locations Leverage WAN optimization technologies to improve application throughput mitigate the impact of latency and loss and minimize bandwidth consumption Optimize the performance of WANs and business critical WAN applications This book is part of the Cisco Press Fundamentals Series Books in this series introduce networking professionals to new networking

technologies covering network topologies sample deployment concepts protocols and management techniques Category Cisco Press Networking Covers Network Optimization **Deploying Cisco Wide Area Application Services** Zach Seils, Joel Christner, 2008 Christner and Seils deliver a comprehensive guide to designing and deploying Cisco WAN services for scalable transparent application acceleration and WAN optimization With this resource readers will learn from real world examples that use Cisco gear as the platform of choice for implementation **Deploying Cisco Wide Area Application Services** Zach Seils CCIE No. 7861, Joel Christner CCIE No. 15311, Nancy Jin, 2010-01-12 Implement advanced WAN optimization application acceleration and branch virtualization with Cisco WAAS 4.1 This book brings together all the information you need to design and deploy scalable transparent application acceleration WAN optimization and branch virtualization solutions with dramatically improved Wide Area Application Services WAAS 4.1 products from Cisco Cisco WAAS insiders Joel Christner Zach Seils and Nancy Jin systematically cover new WAAS software enhancements that enable far better performance simplified workflow and improved manageability They introduce powerful new solution components including application specific acceleration techniques hardware form factors and virtualization They also thoroughly explain recent architectural improvements that provide a solid foundation for future WAAS solutions The authors begin by reviewing the underlying technologies that comprise today's Cisco WAAS solution Next drawing on extensive personal experience they walk through collecting requirements designing effective solutions integrating WAAS into existing networks and configuring WAAS 4.1 software This book is replete with real world implementation examples and case studies including extensive coverage of network branch office and data center integration One step at a time you'll learn how to deploy Cisco WAAS in a scalable transparent and seamless fashion one that addresses both your business and technical challenges Thoroughly understand WAAS 4.1's capabilities and learn how to use and manage it effectively Understand both the Cisco WAAS appliance and router integrated network module hardware family Quickly deploy WAAS in lab or production pilot environments to quantify its potential benefits Size design and deploy Cisco WAAS for maximum performance and value in your enterprise network Compare and select design options for branch office and data center network integration Deploy the WAAS Central Manager and accelerator WAAS devices Implement centralized authentication authorization alarm management monitoring and reporting Configure WAN optimization with the Application Traffic Policy Manager Configure verify and manage application acceleration Leverage WAAS 4.1's powerful new branch office virtualization capabilities Quickly troubleshoot WAAS problems using Cisco's own best practices This book is part of the Networking Technology Series from Cisco Press which offers networking professionals valuable information for constructing efficient networks understanding new technologies and building successful careers **Deploying Cisco Wide Area Application Services** Zach Seils, Zach Seils - CCIE., Joel Christner, 2008 **Deploying Cisco Wide Area Application Services** Seils, 2010

Furthermore, Application Acceleration And Wan Optimization Fundamentals Ccie No 15311 Christner Joel books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Application Acceleration And Wan Optimization Fundamentals Ccie No 15311 Christner Joel books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Application Acceleration And Wan Optimization Fundamentals Ccie No 15311 Christner Joel books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Application Acceleration And Wan Optimization Fundamentals Ccie No 15311 Christner Joel books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Application Acceleration And Wan Optimization Fundamentals Ccie No 15311 Christner Joel books and manuals for
