Origen and the Holy Spirit Justin J. Lee, 2023-01-23 This book is an in depth examination of the pneumatology of Origen of Alexandria Justin J Lee argues that Origen conceives of the Holy Spirit as a divine person but inferior in nature in both person and work This can be discerned from his understanding of the Son and Father as well as the influence of Middle Platonism on his theological and cosmological framework Ontologically Origen s understanding of Trinity is a hierarchy of divine persons in which the greater ministers to the existence of the lower Origen s pneumatology can be best understood by examining how he speaks about the work of the Holy Spirit The Spirit participates in the divine work of salvation reflecting an economic Trinity of shared work and will The Spirit s primary role is to indwell and assist the saints There are two major actions of the Holy Spirit s work 1 the downward action of God where the Spirit is the distributor of the divine gifts and graces and 2 the Spirit s upward work of revelation and sanctification by which he leads the saints to the Son and Father The Spirit thus serves as the practical and personal initiator of believers into the greater processes of salvation and deification

Prosperity Gospel? Christopher Anthony, 2025-08-21 This book offers a fresh and challenging analysis of the prosperity gospel by providing both a historical examination of its six theological features and a theological analysis of their interconnected roles Uncovering new sources the author presents a constructive theology of the Word of Faith movement offering a deeper and more precise understanding of its development and function Combining historical and theological methodologies this work makes a significant contribution to the field shedding light on previously unexplored historical roots of Word of Faith theology and revealing their profound theological implications This title is a valuable resource for scholars and practitioners alike especially those interested in the world of Faith theology and its impact on contemporary religious thought

Because I Am Compassionate David Nonnenmacher Jr., 2025-10-07 All of the law collections in the ancient world both biblical and cuneiform promoted humanitarian values that is justice for the lawbreaker and mercy for the needy Scriptural passages advocating for the needs of the widow and the orphan for example find parallels within the prologues of their Near Eastern legal contemporaries What is it then that makes the law of the Israelites stand out as righteous among the law collections of the surrounding nations as its author Yhwh claims Deut 4 8 With special attention to the Book of the Covenant Exod 21 23 this study shows how biblical law possesses a unique inherent and innovative humanitarian outlook rooted in the compassionate character of Yhwh as modeled by his actions in the exodus narrative God s proclamation of compassion in Exod 22 26 27 serves as the initial focal point Each subsequent chapter zooms out further in scope Such compassion this study asserts not only establishes the basis for the Book of the Covenant s humanitarian values but also provides the motivation for its readers to live according to its directives

Hospitality, Service, Proclamation Tom Wilson, 2019-04-30 In Hospitality Service Proclamation Tom Wilson seeks to demystify the interfaith project Written for ordinands and those preparing to minister in neighbourhoods where interfaith and intercultural dialogue are essential Wilson

argues that rather than a threat to churches interfaith dialogue is an important tool for discipleship Sacred Space, Sacred Thread John W. Welch, Jacob Rennaker, 2019-04-17 The insightful studies contained in this book will be of significant value to anyone interested in experiencing more deeply the intersections between materiality and spirituality Part 1 introduces readers into Egyptian Israelite Christian and Hindu temples shrines or sanctuaries Part 2 helps readers understand how items of colored fabrics clothing robes and veils convey ritual meanings Part 3 reports two panel discussions that exemplify the pathway of fruitful conversation Matter and spirit might seem to some to be polar opposites But as these studies by distinguished and diverse scholars demonstrate spiritual experiences are constructively defined and refined within the coordinates of place and time Sacred space as well as sacred cloth define borders but not necessarily boundaries between the sacred and the profane These material coordinates physically enclose and also spiritually disclose They both symbolize and synergize as they encompass and expansively inspire These original and enjoyable presentations will help all readers to hold tenaciously to the tenets and also the tensions inherent in physical spiritual experiences *Ethics Lost in Modernity* Matthew Vest, 2023-07-21 *Ethics Lost in Modernity* Reflections on Wittgenstein and Bioethics turns to the philosopher Ludwig Wittgenstein as a guide to understand the immense success yet great danger of bioethics Matthew Vest traces the story of bioethics since its inception in the late 1960s as a way to uncover a number of hidden assumptions within modern ethics that relies upon scientific theorizing as the fundamental way of thinking Autonomy and utilitarianism in particular are two nearly unquestioned goals of scientific theorizing that are easily accessible but at what cost Vest argues that such an ethics enacts a thin moral calculation that runs the risk of enslaving ethics to scientism Far from the depth of religious ethos and practices of virtue modern ethics is lost amidst thin ethical theories enacting a language game that instrumentalizes ethics in service of technological bureaucratic and professional end goals He proposes that true moral living is far from anti science but rather is envisioned best when ethics and science are balanced with keen insights from ancient sacred cosmology **Aristotle on the Uses of Contemplation** Matthew D. Walker, 2018-05-31 Provides an original up to date and systematic account of Aristotle's views on contemplation's place in the human good *Trinitarian Interpretation in Light of the Identity of YHWH as the Triune God* Alias K. Eldhose, 2024-01-10 Have you ever wondered how to maintain an understanding of monotheism in light of the Christian understanding of the triune Godhead Have you ever wondered about the identity of YHWH in the Old Testament Have you identified YHWH as the first person of the Trinity as many in the Christian tradition have If so this book is for you Many of the early Trinitarian heresies stemmed from a misunderstanding of YHWH in the Old Testament especially identifying YHWH as one person and not multiple persons This book addresses issues relating to the identity of YHWH in the Old Testament and makes the bold claim that YHWH is multiple persons in the OT and therefore Father is YHWH Jesus is YHWH and the Holy Spirit is YHWH This conclusion is based on sound exegesis of OT NT passages the early Christian understanding of God in the Old Testament and the New Testament's identification of Jesus in

the identity of YHWH If identified thus a Christian reading of the entirety of Scripture will take on new meaning resulting in a robust Trinitarian interpretation of Scripture

Baptist Political Theology Thomas S. Kidd, Paul D. Miller, Andrew T. Walker, 2023-07-01 Baptist ideals like the separation of church and state have indelibly shaped Western democracies and Baptist thinkers continue to influence public policy and political engagement today Yet the historical contours enduring commitments and current contributions of Baptist political thought are little understood Baptist Political Theology edited by scholars Thomas Kidd Paul Miller and Andrew Walker introduces readers to the full sweep of Baptist engagement with politics Part 1 reviews the life writings and political activity of important figures in Baptist history as well as Baptist involvement in key historical eras and episodes Part 2 presents a collective effort at applied political theology with essays relating Baptist principles to a range of contemporary issues This monumental volume sheds light on the history and contemporary practice of Baptists in the public square offering context and clarity for Baptist political thought in the years to come

John Webster Jordan Senner, 2023-04-20 Jordan Senner captures the systematic shape logic and development of his thought from the vantage point of the God creature relation Webster s development is depicted in terms of three phases Christocentric Trinitarian and Theocentric culminating in a conceptual analysis of three key aspects of his mature theology his doctrine of divine perfection theory of mixed relations and concept of dual causality Senner illustrates this heuristic framework for interpreting Webster s theology through an exploration of different aspects of his account of the God creature relation Christology hypostatic relation ecclesiology redemptive relation bibliology communicative relation and theological theology rational relation This volume not only provides a dynamic introduction to Webster s theology as a whole but it also includes fascinating forays into the complexities of Webster s engagement with Barth and Aquinas raising interesting questions for constructive theological dialogue that is neither straightforwardly Protestant nor Catholic
