"TYPE YOUR ORGANISATION AND PROJECT TITLE HERE"

This is a support document to help you complete the Premier League and the FA Facilities Fund Grant Application. It tells us about the non-technical aspects of your project, your organisation and how football will be delivered if a grant is offered. You should share this with those involved in the planning of your project, so that ideas and information may be more easily gathered. Information compiled within this document may be copied directly into the Project Overview and Management and Delivery sections of your **GRANTSHOT** portal application.

If you need technical guidance in relation to pitches, or help with preparing your income & expenditure profile, maintenance, pricing structure, FOP or policies see have developed a library of information for you here: <http://www.footballfoundation.org.uk/funding/schemes/premier-league-the-fa-facilities-fund/application/>

You should also seek guidance from your local County FA whilst preparing the application.

Please delete the guidance notes in blue when you have completed each section.

SECTION 1: THE PROJECT OVERVIEW FORM

INTRODUCTION AND OVERVIEW

Give an overview of the project with key information about the proposal. As a minimum it should include brief details about:

- The geographical area where the investment will be made
- What football (and other sports) are currently played at the whole site
- What the investment is for
- The value of grant and total project costs including total of other funding

BACKGROUND AND TENURE

- Give a history of your organisation, how long the site has been used and how football has developed
 - What pitches, pavilion, changing and social facilities does the site currently have available, and what are the problems with their current condition or accessibility?
 - Who owns the land where the project will be developed? Do you have a lease or the freehold? If it is a lease, how long is remaining? There must be a minimum remaining term of 21 years.
 - Have you already sought planning permission? If not this could delay the build phase and completion.
- NOT:** Where a facilities grant is given for a sum of £100,000 or over, the Foundation will need in most cases to take a first charge (mortgage) over the premises on which the facilities are located. If you are a public authority, local authority or parish council, and are unable to charge your premises to us, we will place a restriction on the title to the premises at the Land Registry.

WHY IS THE PROJECT NEEDED?
