TransForce Celebrates National Truck Driver Appreciation Week

SPRINGFIELD, Va. – TransForce is encouraging everyone to take the time to honor all professional truck drivers for their hard work during National Truck Driver Appreciation Week, which will be September 19 through the 25th.

TransForce Inc., the nation's leading provider of outsourced drivers to the trucking industry and DOT compliance solutions across the USA, will be presenting all of its drivers with high quality all-weather jackets emblazoned with the TransForce logo, certificates of appreciation, and a letter of thanks from all members of TransForce management.

"This is a wonderful opportunity to reflect on the critical role that truck drivers play in our national economy," said TransForce President and CEO David Broome. "Truck drivers deliver over 70% of the freight that is shipped in the USA, making it an excellent career choice with diverse work environments. We appreciate the excellent customer service that our drivers provide to our customers every day, and we strive to make available to our drivers a variety of rewarding assignments."

As part of the week-long celebration, TransForce will continue its emphasis on safety as an integral part of the service TransForce and its drivers provide. The company will be providing \$100 gift cards for the top suggestions from drivers regarding ideas about how to improve safety.

"Both the personal safety of our drivers and the safety of the traveling public are very important to us," Broome said. "Safety is a shared responsibility among TransForce, our drivers and our customers, and we strive every day to foster a 'culture of safety' by providing training and reminders to practice safe behaviors."

Since 1991, TransForce has grown from its original three offices to be the leading transportation staffing company in the nation. With a national network of branch offices and superior expertise in DOT compliance, TransForce has built its business on the cornerstone of being locally responsive and nationally resourceful in meeting customer needs, based upon a shared commitment to a culture of quality and compliance.
