Steptoe and the Indian Wars** Ron McFarland, 2016-02-03

J. Hoenselaars, 1999 Many fictional works have real historical authors as characters Great national literary icons like Virgil and Shakespeare have been fictionalized in novels plays poems movies and operas This fashion might seem typically postmodern the reverse side of the contention that the Author is Dead but this collection of essays shows that the representation of historical authors as characters can boast of a considerable history and may well constitute a genre in its own right This volume brings together a collection of articles on appropriations of historical authors written by experts in a wide range of major Western literatures **BOOK JACKET** **Fitzgerald/Hemingway Annual** Matthew Joseph Bruccoli, C.
