Learning Stephen Billett,Henning Salling Olesen,Laurent Filliettaz,2023-06-30 This book seeks to advance understandings
of and approaches to supporting and sustaining working age adults learning across lengthening working lives and inevitable
transitions they encounter and are required to negotiate It is founded on the processes and findings of a three phase
practical inquiry into worklife learning and its implications for workplace and educations practice conducted in Australia over
a three year period commencing in 2019 Diverse perspectives and orientations were utilised in approaches to data analysis
and renderings from the data thereby opening up the analysis of these complex phenomena to different lines of interrogation
questions and analytical approaches It elaborates more fully understandings about the processes of adults learning and
development across their lifespan of adulthood referred to as working life and what factors and contributions supported that
learning This book also attempts to reconcile a coherent view about development across the work lifespan and how that can
be supported by education provisions workplaces communities and by the adults themselves *United States Navy*
