If you are a medical, mental health or other healthcare professional wanting to lead a support group for dementia care partners or a layperson with a heart for those on the journey, *A Leader's Manual for Dementia Care Partner Support Groups* is the comprehensive resource you need. The Manual provides general information about establishing and leading support groups, counseling skills for leaders and co-leaders, how to handle challenging group participants, step by step instructions on how to run each of the ten individual weekly meetings, including meeting specific handouts and lots of practical advice from co-authors Dr. Edward Shaw, physician, mental health counselor and former dementia care partner, and Dr. Alan Wolfelt, world renowned thanatologist, grief counselor and author. The handouts and worksheets are number coded for easy cross referencing with the content of *The Dementia Care Partner's Workbook*.

A Curriculum Design Manual for Theological Education LeRoy Ford, 2003-02-26

Features of *A Curriculum Design Manual for Theological Education: A Learning Outcomes Focus* by LeRoy Ford: Fifteen complete descriptions for courses in various disciplines of theological education. All descriptions are in the learning outcomes format. A complete set of goals and objectives upon which each chapter is based. These statements, when combined with the goals and objectives for the manual itself, constitute a complete description for a course in Curriculum Design in Theological Education. Guidelines for elaborating the essential elements of curriculum design: institutional purpose, program division and department purposes, scope, educational goals and objectives for learners, multiple contexts, methodology and instructional and administrative models. Four hundred learning outcomes at the level of meaningful performance. An emphasis on making spiritual formation part of every course in the curriculum plan. Three essentials for the learning outcomes approach: a statement of goals and objectives, use of appropriate methods and activities, and development and use of appropriate testing and evaluation procedures. An emphasis on the multiple contexts which constitute an element of curriculum design. Twenty questions which designers must confront in considering the role of affective goals and objectives in curriculum design in theological education. Appropriate reader response opportunities. The essentials of a core curriculum. Glossary of terms used in curriculum design.
