ManagingNonprofits.org Ben Hecht, Rey Ramsey, 2002-02-26 Nonprofit managers have been slow to embrace the digital age. Although technology has transformed the face of the for-profit sector and how it operates, nonprofit use of technology to improve internal functioning and to change the way services are delivered is almost nonexistent. These limitations actually have opened the door for for-profits to compete successfully for traditional nonprofit business, such as moving people from welfare to work. ManagingNonprofits.org is both a call to action and a roadmap for change. Each chapter defines an element of Dynamic Management and identifies digital hotspots or places within that element and the nonprofit's implementation of that element where digital issues will most likely arise and need to be addressed. In addition, at the end of each chapter, Maxims of Dynamic Management or core truths that the authors have found helpful to follow in their day-to-day experience as nonprofit leaders in bringing Dynamic Management to their organization are provided. Finally, the authors highlight the experience of various nonprofit and for-profit organizations that have successfully made elements of Dynamic Management a reality in their organizations.

Strategic Tools for Social Entrepreneurs J. Gregory Dees, Jed Emerson, Peter Economy, 2004-01-30 A complete set of tools for applying entrepreneurial strategies and techniques to your nonprofit. As a follow-up to their book *Enterprising Nonprofits*, the authors of *Strategic Tools for Social Entrepreneurs* provide a full set of practical tools for putting the lessons of business entrepreneurship to work in your nonprofit. The book offers hands-on guidance that helps social sector leaders hone their entrepreneurial skills and carry out their social missions more effectively than ever before. This practical and easy-to-use book is filled with examples, exercises, checklists, and action steps that bring the concepts, frameworks, and tools to life. Detailed explanations of all the tools and techniques will help

you personalize and apply them to your nonprofit organization making it stronger healthier and better able to serve the needs of our communities Praise for Strategic Tools for Social Entrepreneurs I search constantly for resources that can help provide insight and guidance to take Teach For America to a higher level Strategic Tools for Social Entrepreneurs does this and more The book takes the best practices of for profits and social enterprises and adapts them to the needs of entrepreneurial mission driven nonprofits Strategic Tools for Social Entrepreneurs is a tremendous contribution to social entrepreneurs and to the nonprofit sector many thanks to the authors for identifying this need and filling it Wendy Kopp Founder and President Teach For America All of the royalties from this book will be used by the Ewing Marion Kauffman Foundation to support continuing work on social entrepreneurship

Essentials of Health Care Finance William Cleverley, James Cleverley, Paula Song, 2011 Essentials of Health Care Finance stands firmly in its place as the leading textbook on healthcare finance No other text so completely blends the best of current finance theory with the tools needed in day to day practice Useful for all course levels as well as a professional reference this text offers a comprehensive introduction to the field The Seventh Edition has been thoroughly revised to reflect the current economic environment in the healthcare industry with thoughtful descriptions and real world examples As the not for profit health care sector has increasingly come under attack by legislators seeking new sources of tax revenue this edition also features a new chapter on assessing community benefits including an examination of the new Schedule H of the IRS 990 form Ancillary instructor materials for the Seventh Edition have been significantly expanded and updated PowerPoint lecture slides now include selected examples from the chapters Electronic versions of many of the charts and tables in the chapters are provided to enable the instructor to re create and modify existing examples An expanded set of test questions with detailed answers will be provided for each chapter New excel spreadsheets for selected chapters will be created to help both the students and the instructors perform a variety of financial analysis tasks with spreadsheet templates The instructor's manual has been revised to include key learning points chapter overviews and guidelines for class discussion
