Practicing Atheism Hannah K. Scheidt, 2021 Although many individuals identify as atheists little is understood about the belief system beyond the simple lack of a belief in a higher power Hannah K Scheidt's *Practicing Atheism* Culture Media and Ritual in the Contemporary Atheist Network unpacks the cultural products both corporate driven and grassroots that carry messages about atheism to examine the complicated relationship between organized atheism and religion *Don't Tell Me* Mark Schwieso, 2022-08-19 Today we live in a complacent country where only certain answers are acceptable In this book the author dares to go against accepted wisdom considering questions such as Is the divorce rate really 50% and if it isn't what is it and why should we care Why is the media telling us COVID 19 is so bad Do we really know Charles Darwin's theory of evolution to be true Has the Bible been disproven and debunked Other topics include the Big Bang Theory biological differences between men and women politics and religion random mutations UFOs and global myths The author also explains that the best lies are 99% true liars practice their craft using the truth to mislead others Moreover he notes that no matter what you believe truth is still true For instance even if a person believes they can fly if they jump off a ten story building they will still die upon hitting the ground Join the author as he asks questions that the establishment would prefer you keep to yourself by reading *Don't Tell Me*

Dominance and Aggression in Humans and Other Animals Henry R. Hermann, 2017-01-05 *Dominance and Aggression in Humans and Other Animals* The Great Game of Life examines human nature and the influence of evolution genetics chemistry nurture and the sociopolitical environment as a way of understanding how and why humans behave in aggressive and dominant ways The book walks us through aggression in other social species compares and contrasts human behavior to other animals and then explores specific human behaviors like bullying abuse territoriality murder and war The book examines both individual and group aggression in different environments including work school and the home It explores common stressors triggering aggressive behaviors and how individual personalities can be vulnerable to or resistant to these stressors The book closes with an exploration of the cumulative impact of human aggression and dominance on the natural world Reviews the influence of evolution genetics biochemistry and nurture on aggression Explores aggression in multiple species including insects fish reptiles birds and mammals Compares human and animal aggressive and dominant behavior Examines bullying abuse territoriality murder and war Includes nonaggressive behavior in displays of respect and tolerance Highlights aggression triggers from drugs to stress Discusses individual and group behavior including organizations and nations Probes dominance and aggression in religion and politics Translates the impact of human behavior over time on the natural world

Confound the Critics Bodie Hodge, 2014-09-01 Can be enjoyed by anyone from skeptics to Christians to scholars Replies to actual attacks from newspaper articles blogs debate boards DVDs and other sources Short powerful responses to strengthen faith and develop a greater respect for God's Word Ever been asked Can God create a rock so heavy that He cannot lift it Your reply is a great

opportunity to help someone receive clearer understanding of who God is and perhaps even help lead him or her to Christ Insights like this are what make this book so unique compared to other resources Whether you want to witness more effectively or give someone seeking truth a resource that will help Confound the Critics is the perfect choice And the big rock question Make sure they are asking about the God of the Bible and remind them God isn't bound to the laws like gravity of the universe He created

4Th Michael Ebifegha, 2017-12-20 4th Refuting the Myth of Evolutionism and Exposing the Folly of Clergy Letters The Darwinian theory of evolution begins with facts science of microevolution and ends with fiction myths of macroevolution The myths are part of our experience no transitional organisms in the living world and part of our discoveries no transitional fossils in such deposits at the Burgess Shale and Chengjiang sites where various kinds of organisms appear together in large collection In his fourth book Refuting the Myth of Evolutionism and Exposing the Folly of Clergy Letters author Michael Ebifegha stresses that real science is timeless and based on events that are directly or indirectly observable testable and repeatable Challenging evolutionists and their clerical allies who are banning the teaching of creationism in public schools Ebifegha insists that evolutionism is also outside sciences purview and therefore should be banned as well He reprimands clerics for capitalizing on human knowledge but failing to recognize the validity of God's personal claim in speech before an audience and in print on stone tablets for having created the world These interventions he asserts fulfill the world's standard legal requirement for inventors Ebifegha argues that the inconsistency of imposing evolutionism as scientific truth on the public and banning creationism violates 1 the academic rights of accomplished scientists who disagree with evolutionism on scientific grounds 2 the US Supreme Court's 1992 declaration At the heart of liberty is the right to define one's own concept of existence of meaning of the universe and of the mystery of human life and 3 God's historical claim to ownership of the universe Instead of separation of church and state Ebifegha recommends separation of worldviews and state
