presentation of the God of Israel how the Gospel ties salvation to the person of Jesus and how the problems of sin and evil find their resolution in the kingdom of God and in community of those who follow Jesus A chapter on Practice examines the Gospel's vision for human community While many readers find a revolutionary message in which women the poor Gentiles and sinners find themselves included and blessed in Luke's Gospel this volume calls attention to inconsistencies and tensions within the narrative Luke does speak toward inclusion Carey argues but not in a revolutionary way Could it be that the Gospel promises more than it delivers Carey suggests that Luke speaks to people of relative privilege challenging them toward mercy and inclusion rather than toward fundamental social change An Epilogue reflects upon contemporary readers of Luke most of whom enjoy privilege in their own right and how they may respond to Luke's story
