The Student Nurse Guide To Decision Making In Practice Aston, Liz, Wakefield, Jill, McGown, Rachel, 2010-08-01
This practical book provides a framework to assist student nurses in developing skills as decision makers. The book uses cases and practical examples to help relate theory to practice starting with the transition to becoming a student nurse and moving through the different stages of a pre-registration nursing course. This practical book provides a framework to assist student nurses in developing skills as decision makers. **NP Notes** Ruth McAffrey, Humberto Reinoso, 2025-03-03 Your one stop source for class clinical and practice. This quick reference resource gives you easy access to the information you need to deliver safe and effective care including screening and assessment tools, differential diagnosis charts, commonly ordered medications, billing and coding information and so much more. The 5th Edition of this AJN Book of the Year has been completely revised and updated to reflect the latest changes in the field. Vital Notes for Nurses Sue Barker, 2011-11-30 Vital Notes for Nurses Psychology provides a concise accessible introduction to key psychological theories and outlines their relevance to nursing practice. Divided into seven chapters, the first offers a preliminary insight into the different perspectives in psychology: Biological, Psychodynamic, Behavioural, Cognitive and Humanistic. These perspectives go on to underpin the topics in all the other chapters. Vital Notes for Nurses Psychology explores developmental theories, attachment theories and relationship theories. It discusses issues relevant to nursing practice such as motivation, change, stereotypes, relationships and motivation and looks at issues of suffering including stress and pain. Illustrated with examples from all branches of nursing practice, this text clearly illustrates the relevance of psychology to nurses. Relates psychological themes specifically to nursing practice. Written in a clear accessible style which assumes no prior knowledge. Useful to all nursing students on the common foundation programme as well as newly qualified nurses. Each chapter includes features such as activities, case studies and learning objectives. Clinical Judgement and Decision-Making in Nursing and Inter-Professional Healthcare Mooi Standing, 2010-08-16 Mooi Standing's book provides an excellent application of the principal concepts of Cognitive Continuum Theory. Her presentation is clear, accurate and her inferences show that she has a first rate grasp of the implications of the theory and what it means for the care of patients. Her work should stand as a monument to the application of psychological theory to nursing care. Professor Emeritus Kenneth R Hammond, University of Colorado USA. Sound clinical judgement and decision making is vital to delivery of high quality patient centred nursing and interprofessional healthcare. This book integrates the theory and practice of decision making to guide and enhance practitioners' understanding and clinical expertise. Mooi Standing presents relevant contemporary theory and research that relates decision making to Professional identity, Organization of healthcare, Developing knowledge and skills, Selecting and applying the most appropriate intervention in clinical practice. Real case studies written by various advanced practitioners demonstrate how to apply theory to practice in reviewing, explaining and continually developing clinical judgement and decision making skills. A

patient's account of care received for a serious illness provides a valuable patient-centred insight. The author's new reflexive pragmatism model summarizes the key knowledge, skills, values and processes of clinical judgement and decision making for readers to apply in reviewing and enhancing their own clinical practice. Extensive reflective activities and self-assessment tools are included throughout the book. Clinical Judgement and Decision Making is essential reading for qualified nurses, midwives and allied health professionals undertaking CPD modules in judgement and decision making, evidence-based practice and reflective practice or studying to be advanced practitioners. Contributors: Kate Dewar, Carolyn Jackson, Peter Ellis, Antonio Sama, Roger Goldsmith, Elizabeth Duck, Douglas MacInnes, Susan Plummer, Hesham Hassan, Michael Standing.
