

FIGURE 1 and **FIGURE 2** are histograms of the distribution of the number of nodes in the network. **FIGURE 1** shows the distribution of the number of nodes in the network for the case of the network with 100 nodes. **FIGURE 2** shows the distribution of the number of nodes in the network for the case of the network with 200 nodes. The distribution of the number of nodes in the network is highly skewed towards the right, indicating that most nodes have a small number of connections.

4. **Abstract** – The abstract should be a brief summary of the paper, not more than 10% of the whole paper. It should be written in a clear, concise, and factual manner. It should state the purpose of the study, the methods used, the results obtained, and the conclusions drawn. It should be written in a way that is easy to read and understand, and it should be written in a way that is consistent with the rest of the paper.
