Dying Words Nicholas Evans, 2011-08-17 The next century will see more than half of the world's 6 000 languages become extinct and most of these will disappear without being adequately recorded Written by one of the leading figures in language documentation this fascinating book explores what humanity stands to lose as a result Explores the unique philosophy knowledge and cultural assumptions of languages and their impact on our collective intellectual heritage Questions why such linguistic diversity exists in the first place and how can we best respond to the challenge of recording and documenting these fragile oral traditions while they are still with us Written by one of the leading figures in language documentation and

draws on a wealth of vivid examples from his own field experience Brings conceptual issues vividly to life by weaving in portraits of individual last speakers and anecdotes about linguists and their discoveries

Life After Life - Lifting the Veil on Death Rajendra Kher, 2019-04-20 Two great truths govern human existence impermanence is the law of the Universe and therefore it is inevitable but the jeewatma soul is permanent and lives forever When one views human existence from the perspective of this knowledge then the only certitude is that there is no death With the materialization of the Universe the wheel of time was set in motion imprinting preordained impermanence Yet despite the world's impermanence Man is offered the opportunity of acquiring knowledge and achieving spiritual growth within his lifespan The cosmic soul momentarily adopts a human body to experience advancement in human form But when the jeewatma departs the physical body from one of the five koshas sheaths it is released from this confinement and bondage into the joyful revelation of its true nature The soul experiences divine love and achieves a state of timelessness The demise of the human body thus becomes the moment for joyful fulfillment when the jeewatma achieves ultimate growth and eternal beauty Though the human form and external body decays the jeewatma or the subtle body soul remains intact in its true and original form Litterateur Rajendra Kher has spent long years studying the subject of death He has researched both ancient and modern references as well as the Vedas Upanishads Bhagavad Gita Srimad Bhagvatam and various mythological literature in his attempt to unravel and comprehend death and life after life He has also analyzed the personal experiences of rishis scholars masters and yogis adding his findings to the book to make it comprehensive The gift contained in these pages is the lifting of the veil on death In so doing it frees each of us from unknown fears and dread about death and dying enabling us to experience instead true happiness and the grace of living

Art to Come Terry Smith, 2019-09-06 In Art to Come Terry Smith who is widely recognized as one of the world's leading historians and theorists of contemporary art traces the emergence of contemporary art and further develops his concept of contemporaneity Smith shows that embracing contemporaneity as both a historical concept and a condition of the globalized world allows us to grasp how contemporary art exists in a fluid space of increasing interdependencies multiple contemporaneous modernities and persistent inequalities Throughout these essays Smith offers systematic proposals for writing contemporary art's histories while assessing how curators critics philosophers artists and art historians are currently doing so Among other topics Smith examines the intersection of architecture with other visual arts Chinese art since the Cultural Revolution how philosophers are theorizing concepts associated with the contemporary Australian Indigenous art and the current state of art history Art to Come will be essential reading for artists art students curators gallery workers historians critics and theorists
