Reflections Sigma Starspaw, 2018-07-14 *Reflections* is an account of one human's experience navigating the choices and challenges we all face. Sharing a story that is part memoir, part social commentary, part plea for compassion and trust in a world ruled by fear and loathing, the author leads us down a path of self-exploration through showing us what we share in common by burning away what holds us apart. By sharing this deeply personal account, revealing secrets that few would share outside their most intimate circles, we are invited to consider our own choices in the face of hardship, to look at those parts of ourselves that we hide from the gaze of others, and given hope that we are never too far gone to rediscover our truth. *Reflections* holds a mirror to many of the personal and social issues that challenge us. In this short but dense account, we look at addiction, violence, racism, fear, poverty, motivation, identity, and faith. Themes that emerge from the exploration are freedom, self-acceptance, honesty, generosity, authenticity, compassion, and unity. By showing us the shadows that accrue from the everyday compromises we make in our personal truth and ethics, we are reminded of the power of taking personal responsibility for our decisions. In a world filled with those who would inform us who we should be for their own benefit, *Reflections* is a message of hope for we who wish to reclaim our freedom by understanding who we are for ourselves.
