Things Fall Apart? Michael Paget-Wilkes, 2020-05-29

This book calls for a major paradigm shift in the church's thinking and practice if the church is to engage with the upcoming generations of the third decade of this fast changing twenty first century Just as the church has had to adapt to a changing context in the past it now needs to engage seriously with this post enlightenment post human techno centric age of artificial intelligence However the church also needs to recall its counter cultural prophetic role following Elijah Jeremiah Amos Jesus and Paul challenging society as it faces complex dilemmas raised by technology driven development in these unprecedented times The church will have to acknowledge unaddressed weaknesses in the past of identifying with established power rather than vulnerability and the marginalized of depending on a hierarchical ministerial order at the expense of the ministry of every believer of acquiescing to materialist anthropocentric and consumerist growth as an undisputable norm This book develops the vision of a church engaged in the mission of God of welcoming technological development but with an eye on kingdom values of promoting innovation so long as it does not result in a growth of inequality or at the expense of the environment of pointing towards a humanity that deepens its relationships with its Creator its fellow humans and its environment The author calls on grassroots believers to reflect and act within their local communities as inspired and empowered daughters and sons of God in the knowledge that following Jesus Christ provides a radical new paradigm for living learning and leading in and through these times of epochal change

When Things Fall Apart Nora

Dudwick, Elizabeth Gomart, Alexandre Marc, 2003 This study uses quantitative and qualitative research methods to document the experiences of people in Armenia Georgia the Kyrgyz Republic Latvia Moldova Tajikistan Ukraine and Uzbekistan struggling to cope with the dramatic changes in lifestyle and economic conditions following the collapse of the Soviet Union It demonstrates how poverty in the region differs from that experienced in other parts of the world and looks at how cultural and institutional barriers have hindered attempts to improve these problems It also examines the links between poverty gender and ethnicity and seeks to convey the psychological impact of poverty as well as its social and economic effects

African Legal Theory and Contemporary Problems Oche Onazi,2013-11-26 The book is a collection of essays which aim to situate African legal theory in the context of the myriad of contemporary global challenges from the prevalence of war to the misery of poverty and disease to the crises of the environment Apart from being problems that have an indelible African mark on them a common theme that runs throughout the essays in this book is that African legal theory has been excluded under explored or under theorised in the search for solutions to such contemporary problems The essays make a modest attempt to

reverse this trend The contributors investigate and introduce readers to the key issues questions concepts impulses and problems that underpin the idea of African legal theory They outline the potential offered by African legal theory and open up its key concepts and impulses for critical scrutiny This is done in order to develop a better understanding of the extent to which African legal theory can contribute to discourses seeking to address some of the challenges that confront African and non African societies alike

Good Ideas from Questionable Christians and Outright Pagans Steve

Wilkins,2025-08-28 What indeed has Athens to do with Jerusalem What concord is there between the Academy and the church Tertullian 3rd century Such skepticism about the place of philosophy in the life of Christians persists down through the ages As a student author Steve Wilkins had deep reservations about studying the works of pagans or even questionable Christians Now a teacher at a Christian university Wilkins has developed a deep appreciation for teaching and studying philosophy In fact he believes that the life of faith can be enriched by good philosophical reflection In this book Wilkins helps you begin the same journey Using generous quotations from the original sources Wilkins provides an introduction to the study of philosophy by exploring a single key issue from each of the following philosophers Socrates Plato Aristotle Augustine Aquinas Descartes Kierkegaard Marx Nietzsche and Sartre The questions considered include Why ask why Is a just society possible Is God responsible for evil Can you be certain of anything Is morality all about power Do you really want to be free Wilkins encourages you not to be a mere spectator but to actively and critically engage the questions and ideas these philosophers raise Here is a book for beginning students thoughtful Christians or anyone who wants to explore life s deepest questions
