The Language of Hunter-Gatherers Tom

Güldemann, Patrick McConvell, Richard A. Rhodes, 2020-02-27 Offers a linguistic window into contemporary hunter gatherer societies looking at how they survive and interface with agricultural and industrial societies The Cultural Shaping of Accounting Ahmed Riahi-Belkaoui, 1995-05-30 An important but usually overlooked variable that affects the process and product of accounting is culture Consensus on what constitutes proper accounting methods and behavior varies among countries and it is this cultural relativism and its impacts that Riahi Belkaoui explores here His purpose is to elaborate on the nature of cultural relativism in accounting and in the interpretation of accounting data He thus shows the way culture determines accounting judgments and explains the intercultural differences in the perception of accounting concepts and in the field's self regulation internationally His point is that accounting is actually a cultural rather than a technical process and that professionals as well as academics should be aware of this A challenging useful discussion for teachers graduate students and accounting practitioners particularly in international settings **The Comparative Archaeology of Complex Societies** Michael E. Smith, 2011-09-05 Part of a resurgence in the comparative study of ancient societies this book presents a variety of methods and approaches to comparative analysis through the examination of wide ranging case studies Each chapter is a comparative study and the diverse topics and regions covered in the book contribute to the growing understanding of variation and change in ancient complex societies The authors explore themes ranging from urbanization and settlement patterns to the political strategies of kings and chiefs to the economic choices of individuals and households The case studies cover an array of geographical settings from the Andes to Southeast Asia The authors are leading archaeologists whose research on early empires states and chiefdoms is at the cutting edge of scientific archaeology Subject Catalog Library of Congress,
