Creon has ordered that their brother, Polynices, is not to be given a proper burial.

2. Contrast Ismene and Antigone in terms of their character traits.

Antigone is determined, willful, ready to face death. She does what she believes is right to

Antigone, Interrupted Bonnie Honig,2013-05-02 Sophocles *Antigone* is a touchstone in democratic feminist and legal theory and possibly the most commented upon play in the history of philosophy and political theory Bonnie Honig s rereading of it therefore involves intervening in a host of literatures and unsettling many of their governing assumptions Exploring the power of *Antigone* in a variety of political cultural and theoretical settings Honig identifies the *Antigone* effect which moves those who enlist *Antigone* for their politics from activism into lamentation She argues that *Antigone* s own lamentations can be seen not just as signs of dissidence but rather as markers of a rival world view with its own sovereignty and vitality Honig argues that the play does not offer simply a model for resistance politics or equal dignity in death but a more positive politics of counter sovereignty and solidarity which emphasizes equality in life **Antigone's Daughters** Marta L. Wilkinson,2008 *Antigone s Daughters* presents various readings of the classical myth of *Antigone* as interpreted through modern feminist and psychoanalytic literary theories Topics such as femininity education and establishing selfhood amidst the restrictions of the patriarchal society presented by Sophocles provide the foundation for the modern novel This study serves as a model for the comparative interpretation of literary works of the nineteenth and twentieth centuries including the writings of George Sand Indiana Karolina Pavlova *A Double Life* Nikolai Chernyshevsky *What Is to Be Done* Emile Zola *L Assommoir* and *Nana* Mar a Luisa Bombal *La amortajada* and Isabel Allende *The House of the Spirits* Each chapter isolates an aspect of *Antigone* s struggle within both the public and domestic spheres as she negotiates her independence and asserts her voice A valuable tool for the study of modern literature the universality of *Antigone* presented in this study prompts the investigation of many classical motifs while providing a thorough study of various national literatures within their own contemporary contexts *Omnibus I* Douglas Wilson,G.
