Dark Secrets of the Real Miss Candy Lee Mary E. Black, 2011-02 In the beginning I started off writing my diary which leads me into writing poetry then lyrics My older brother believed in me and also influenced my talent back in 1985 He later died but left a large impact when it came to me Throughout my younger life I had to decide between love or family which I explain in this book In chapter three I describe in graphic detail of how I was abused throughout my relationships The next chapter I go into one of the worse times of a writer's life when trusting the wrong person with your work then basically watching someone soliciting your artist name and then profit off of it When this happened to me it threw me into a 5 year depression Then because my sister became my true fan I found enough hope inside to fight back on line and not give up

My Dirty Little Secrets Sanjib Sinha, 2024-07-30 Jacky had secretly fitted a spy camera inside his toilet pan to watch his lady guests peeing He had used a costly computer for that sick purpose only What an irony Jacky had recovered a laptop that had been used only for watching pornography Sarika could not remember any face She could have described his dangling dick vividly She got so excited to think that she was going to ride that dick again She missed the chance forever She sighed They thought Sarika was still in fear of death When she reached Bandra waiting for Sarab Mehta she felt so horny Now the fear of death made her desperate She crossed her legs uncrossed it If they were not here she would have tried her mobile vibrator to reach a quick orgasm A tall beautiful girl burst in hurriedly and looked out for someone She glanced around the room There was something in her appearance that made the difference She came in with an air of confidence that usually a well dressed good looking woman had Male heads turned to watch her as she was searching for them She was around thirty She tried to turn back but couldn't Two strong muscular hands had already gripped her throat in a way she didn't utter a sound It didn't take much time She swished her hands frantically to get rid of
