Secrets to Reaching Your Destiny Salay H. Kekula, 2022-10-16 In this book *Secrets to Reaching your Destiny* I intend to inform my readers about their greatness and how to eliminate the seven major challenges that attempt to hinder them from discovering and fulfilling their destiny. You will learn about rejection and how to grow to a level where it never stops you from pursuing your purpose and vision. There are some people who allow the fear of rejection to destroy their personal relationships, but not any more should that be your story after reading this book. Once you learn how to overcome all the other major challenges, you will fulfill your destiny and much more. **What Makes People Rich and Nations Powerful**,

None of These Diseases Chris Oyakhilome, 2001 [How to find a godly wife](#) Leo Godman, 2025-08-05 Are you ready to find more than just a wife but a divine partner in purpose? In a world flooded with shallow dating advice and misguided relationship goals, *Finding a Godly Wife* offers a refreshing and deeply spiritual alternative: a biblical blueprint for men who want to do it God's way. Written by Pastor Leo Godman, this transformative guide walks men through the essential stages of preparation: knowing their identity in Christ, discovering divine purpose, cultivating wisdom, and being led by the Holy Spirit before they even consider saying "I do." Unlike other relationship books, *Finding a Godly Wife* doesn't rush to matchmaking tips. Instead, it challenges men to first become the kind of man who attracts and honours a godly woman. Each chapter is layered with scriptural truths, practical insights, personal testimonies, and most importantly, divine clarity for navigating the pursuit of marriage. **What Makes This Book Different:** Scripture-rooted Guidance. Every principle is grounded in the Word of God, ensuring you're building on an unshakable foundation. Purpose-Driven Process. Learn why vision assignment and spiritual maturity must come before pursuit. God's Order for Covenant. Discover why identity must precede intimacy and why preparation matters more than passion. Pastoral Wisdom. Gain real insights into discerning red flags, walking in love, not lust, and embracing accountability. Powerful Additions in Every Chapter. A Prayer to Seal the Word. At the end of each chapter, a powerful Spirit-filled prayer invites the reader to engage with God personally, reinforcing biblical truth and inviting divine transformation. Reflective Questions. To help you go beyond reading, each chapter includes soul-searching reflection prompts designed to build self-awareness, deepen understanding, and activate obedience. Perfect for journaling, mentorship, or group study. These features don't just inform; they transform. They equip men to live out what they've read and heard from God and to walk into relationships with confidence, clarity, and spiritual strength. **Who This Book Is For:** Single men seeking to marry God's way. Divorced or healing men rediscovering identity and purpose. Mentors, fathers, or pastors discipling the next generation. Any man who wants a godly marriage, not just a wedding. Women can also read the book or recommend it for their men. If you're ready to stop guessing and start building, if you're ready for more than just a romantic partner but a covenant partner, this book is your guide. Don't just find a wife. Find a good thing. Step into favour. Walk in purpose. Lead with love. Build for legacy. [Overcoming Depression, Living with Joy](#) Dr. Nkiru Oluwatosin, 2021-07-19 You do not have to live the rest of

your life battling depression You can be free and live with joy In this book I share the story of my personal experience and battle with severe clinical depression I share from my walk with God through the years and my experience as a medical professional I am confident that as you read this book you will clearly see how you can be totally free from the pit of depression and live your life with joy *The Prosperity Gospel in Africa* Marius Nel, 2020-06-15 Africans prevailing interest in the prosperity gospel is not only connected to the influence of American prosperity teachers reaching a worldwide audience through their imaginative use of the media but is also related to the African worldview and African traditional religion and its lasting influence on contemporary Africans and the way they think about prosperity as well as their interest in prosperity in post colonial Africa The research from a classical Pentecostal perspective about the impact of the prosperity message on Africa is necessary timely and relevant because of its influence in the African Pentecostal movement and its potential to harm the faith of believers leading to the potential disillusionment of Christian believers who put their trust and money in formulas and recipes that seemingly only work for others especially the prosperity leaders who lead by example with incredulous riches and wealth **Dreams of a Patriot** Oluneye Oluwole, 2011-10-11 The greatness of a nation is less a function of its physical geography than it is of the quality of its human content Any nation can rise to great heights if it has within its borders men and women who will dare to dream and see a life beyond the limitations of the times in which they live These are people who know that however dark and bleak the night may be there ll be light at the break of dawn and are willing both to persevere through the long dark night and to help others do so These men and women are those the world knows as patriots In *Dreams of a Patriot* Oluneye Oluwole confronts the monstrous subject of leadership crisis in Nigeria not from the boring and tedious perspective of a political analyst but from the refreshing everyday angle of a common citizen who knows that a nation so great and so immensely endowed as Nigeria deserves more from her people She lights a candle in the wind of our turbulent national experience and beckons on all who share in this dream of greatness to help shield its flickering flame from the extinguishing forces that have held her nation down all these years In a subtle unobtrusive way it is an expression of the dreams and hopes of that pained and distressed patriot in every one of us *Dress in the Making of African Identity: A Social and Cultural History of the Yoruba People* Bukola Adeyemi Oyeniyi, 2015-09-08 This is a book on the social and cultural history of Yoruba people a people in southwest Nigeria As the first to provide a comprehensive treatment of Yoruba dress in historical perspective this book is an important contribution to African history in general and the Yoruba cultural history in particular The book illuminates the impact of Christianity Islam and British colonialism on the construction of Yoruba identity and how dress was entangled in that construction It also provides insightful discussions of the transformations in dress culture since independence and demonstrates the importance of dress as a site for contesting and articulating postcolonial Yoruba identity and class structure within the Nigerian national space This book provides many insights into these issues and is thus an invaluable addition to Africana studies anthropology and history *African*

Christian Leadership Priest, Robert J., Barine, Kirimi, 2017-10-12 The speed of the remarkable expansion of Christianity in Africa has outstripped available support structures for Christian leadership training and development Since many of Africa's countries are majority Christian African Christians also find themselves exercising leadership in a wide variety of business educational media social service and governmental venues This book seeks to offer this support and training to promote African Christianity and to further the healthy development of Africa Megachurches in Africa Babatunde A.

Adedibu, Felicity Apaah, Okelloh Ogera, Benson O. Igboin, 2024-10-04 The idea of megachurch is pivotal to the nature characteristics and vision of megachurches as a social divine structure grounded on the belief in grand mega God whose omnipotence is revealed encountered and dramatised in space and place Although the concept of megachurch has been discursively and theoretically problematic sprouting and scouting for a big idea grasping that is in itself elusive the book takes a pragmatic detour to engage and nuance and also beat into manageable shape what can readily be construed as megachurch at least in Africa It argues that megachurch is not only related to from the prism of its exponentiality and grandiosity a feature that is pervasive in its conceptualisation but it is also much more inserted into a socio cultural political and religious context that is at once empirical and relatable responsible and responsive daring and appealing local and transnational spiritual and mundane controversial and soothing The institutionalisation of megachurch legitimises its existence radar and reach in terms of social mobilisation charismatics and incarnationality Central to the praxis of megachurches is digital turn that zooms out the Mega Mega powers and affluence of mega pastors mega narratives mega miracles and mega messes All of this is sited and situated most profoundly within the mega failure of state to be responsible and account for mega wealth that African political rulers vanquished into their private lounges The megachurch and state relations might appear complexified and mutually beneficial the knack with which some Africa's megachurches pastors churches churches dribble and meander through this midfield constantly calls to mind the Megachurches Megachurches claim of divine imprimatur and the future of its pentecostality **The Secret to Succeed Through Tough Times** Baba

Christ Is Our God Yinka Bamgbelu,2015-05-22 It seems extraordinary that Dr Richard Dawkins who Dr Stephen Hawking implied was an imbecile was apologising for Albert Einstein I believe Dawkins was afflicted by delusional self aggrandisement which is a form of psychosis and part of the clinical manifestations of latent progressive dementia He was not fit to speak for a true genius like Einstein Infallibility is brainless nonsense as it exists only in the supernatural realm Only an infallible being will describe another being as fallible If Albert Einstein were a stately horse Dr Richard Dawkins is an insect Albert Einstein regards Sir Isaac Newton as near deity Sir Isaac Newton was a devout unorthodox Christian and perhaps the supreme science genius **Greatness Without Tears** Fidel Frederick,2015-11-11 If you want to be successful and happy you have to chart your own course in life Luckily Greatness without Tears will help you discover the route to your success This book is meant for everyone who wants to grow remarkably and improve his or her situation despite occupation or age This book will inspire you Here Frederick Akabai Fidel will show you that you are what you think and what you say irrespective of how others define you Everyone has the capacity to attain any height and achieve any goal in life so long as they have positive attitudes and the will to excel despite the obstacles en route Greatness is a process and even a genius needs some information and training to trigger his or her finesse This book gives you the necessary steps to take God has deposited inherent talent in you And if you apply the ideas in Greatness without Tears your life will never remain the same
