Answering God Eugene H. Peterson, 1989 *Fighting On Our Knees* Rory Noland, 2024-10-08 As modern society becomes increasingly secular Christians today find themselves living in a world that is not only diametrically opposed to their faith but also downright hostile about it While living in what has been deemed an anti Christian culture characterized by a vehemently negative view of both Christianity and Christians we are locked in a fight to the finish battle with the forces of evil Rory Noland calls and equips twenty first century Christians to engage in spiritual warfare by praying the Psalms the same book of prayers that ministered to the Israelites of old and served as their collective voice in turbulent times He highlights a group of psalms that address three specific areas currently under spiritual attack the family the church and the culture at large Each chapter focuses on a particular psalm presents a verse by verse devotional commentary and concludes with prayer exercises based on that psalm Throughout his presentation Noland encourages Christians to stay vigilant in the all important kingdom work called prayer *Fighting on Our Knees* calls and equips Christians to engage in spiritual warfare by praying psalms that address three vital areas family church and culture *Engaging Life's Deepest Questions: Apologetics in a Complex World* Dr. Octavian Caius Obeada, 2025-06-26 In a culture filled with doubt complexity and pressing questions *Engaging Life's Deepest Questions* offers a thoughtful and accessible guide to Christian apologetics Structured as a 14 chapter manual corresponding to a full lecture series this book equips readers students pastors educators and seekers alike to address today's most challenging issues with clarity compassion and confidence From topics like truth suffering and morality to digital technology gender justice and religious pluralism each chapter explores how faith can be both intellectually credible and spiritually transformative More than a book of answers this is a resource for dialogue formation and gospel shaped living in a world that needs both truth and grace Apologetics is not to be seen as a defensive and hostile reaction against the world but as a welcome opportunity to exhibit celebrate and display the treasure of the Christian faith Alister E McGrath *Mere Apologetics* Apologetics is most powerful when it listens before it speaks Dr Octavian C Obeada *Engaging Life's Deepest Questions* Our moral obligations are not burdensome impositions but expressions of a reality in which we are invited to participate John M Frame *The Doctrine of the Christian Life* The first task of love is to listen Henri J
