knows Billy on the other hand is the ultimate rebel He hates middle class values he abhors surrounding himself with comfort The world to him is one big sham Morality is for morons like his brother Bruce The only thing that matters is making a quick buck any way you can commodity trading stock manipulation outright theft are all permissible in Billys world So there you have the brothers One can only imagine their interaction Brothers Of The Four Corners is a serious book with comedic overtones There are elements of insanity combined with rivetting action adventure sequences The novel juggles a variety of issues simultaneously like a family gone wrong mans loneliness and alienation religious intolerance financial charlatanism and racketeering racism in the guise of humanitarianism and international espionage In the end these elements intertwine toward a twisted end This makes for a really good read that will take you on a journey thats never boring
