Antigone Short Answer Questions

Dr. Ramen Goswami

Antigone Short Answer Questions:

A Bulk of Short Questions and Answers Series-1 Dr. Ramen Goswami, 2023-10-24 This book helps the undergraduate students of English honours in India to modify their insight and increase their intellectuality only then my labour will prove fruitful

NEP European Classical Literature 2nd Sem (MJC-2/MIC-2) Amit Ganguli, Jay Bansal, 2024-04-07 European Classical Literature MJC 2 1 Homer The Illiad 2 Sophocles Oedipus the King The Three Theban Plays 3 Plato The Republic Book X 4 Aristotle Poetics European Classical Literature MIC 2 1 The Book of Job 2 The Holy Bible The New International Version Zondervan 2011 3 Plautus Pot of Gold

Hard Questions John Kekes, 2019 In this book John Kekes discusses the hard questions we all must face in the course of our lives How should we respond to evil Do we owe what our country asks of us Does it make us better to be ashamed of what we have done Is it always good to be true to who we are Do good intentions justify bad actions John Kekes argues that such questions are hard because reasonable answers to them often conflict He shows how their conflicts can be resolved and how we can best cope with these problems

Antigone Sophocles, 2005 To make this quintessential Greek drama more accessible to the modern reader this Prestwick House Literary Touchstone Edition includes a glossary of difficult terms a list of vocabulary words and convenient sidebar notes By providing these it is our intention that readers will more fully enjoy the beauty wisdom and intent of the play The curse placed on Oedipus lingers and haunts a younger generation in this new and brilliant translation of Sophocles classic drama The daughter of Oedipus and Jocasta Antigone is an unconventional heroine who pits her beliefs against the King of Thebes in a bloody test of wills that leaves few unharmed Emotions fly as she challenges the king for the right to bury her own brother Determined but doomed Antigone shows her inner strength throughout the play Antigone raises issues of law and morality that are just as relevant today as they were more than two thousand years ago Whether this is your first reading or your twentieth Antigone will move you as few pieces of literature can

Antigone in the Americas Andrés Fabián Henao Castro, 2021-07-01 Sophocles's classical tragedy Antigone is continually reinvented particularly in the Americas Theater practitioners and political theorists alike revisit the story to hold states accountable for their democratic exclusions as Antigone did in disobeying the edict of her uncle Creon for refusing to bury her brother Polynices Antigone in the Americas not only analyzes the theoretical reception of Antigone when resituated in the Americas but further introduces decolonial rumination as a new interpretive methodology through which to approach classical texts Traveling between modern present and ancient past Andrés Fabián Henao Castro focuses on metics resident aliens and slaves rather than citizens making the feminist politics of burial long associated with Antigone relevant for theorizing militant forms of mourning in the global south Grounded in settler colonial critique black and woman of color feminisms and queer and trans of color critique Antigone in the Americas offers a more radical interpretation of Antigone one relevant to subjects situated under multiple and interlocking systems of oppression

Antigone Uninterrupted Wendy Bustamante, 2020-10-06 This book argues that while current scholarship on

Antigone tends to celebrate work that takes Antigone out of her classical roots and puts her into contemporary frameworks we do not need to place her in a new context and setting to appreciate what her insights offer We can simply listen to her whole story and learn from what she learns from her father Oedipus While other works boldly claim to be progressively moving beyond the scope of tragic themes of mortality Antigone Uninterrupted demonstrates that reading the Theban Plays in the order of Antigone s biography so to speak expands our understanding of what Antigone could tell us about contemporary issues This demonstration involves Hegel s discussion of Antigone in his Phenomenology of Spirit responses to Hegel on this point and the author s assessment that Antigone makes arguments in Sophocles Oedipus at Colonus that ought to be illuminated in contemporary scholarship This book examines the three Theban Plays Oedipus Rex Oedipus at Colonus and Antigone in the order by which Antigone s story is a continuous development of character and age a unique approach for reasons the author identifies but one she argues would be beneficial to future scholarship Providing illuminating readings of both Sophocles tragedies and some key modern interpretations of the plays this book holds broad appeal for those interested in subjects such as political science gender theory queer theory literary criticism theology and sociology to name a few
