

Antigone Worksheets Answers

Prologue

1. What information does Antigone give to Ismene at the beginning of this scene?
Creon has declared that anyone who buries Polynices will be stoned to death.
2. What has just happened in the sisters' family?
Their brothers, Eteocles and Polynices have killed each other in battle. Eteocles has been given a military funeral, but Polynices' body remains on the battlefield.
3. What does Antigone plan to do? Why?
Antigone will bury Polynices. She wants to follow the laws of the gods, which tell her to honor her dead family members.
4. Does Ismene plan to join her? Why or why not?
No—Ismene is afraid of Creon. She believes that it is important to follow the king's laws. She also thinks that women are weaker than men.
5. What story does the chorus tell in the Parodos?
They tell the story of the battle. The Argive army attacked all 7 gates of Thebes at once in the middle of the night. Zeus didn't like their boastfulness, so he struck down the first attacker with lightning. The Theban army then defeated them.

Scene 1

1. Who has Creon assembled at the beginning of the scene? Why does he say he has passed the new law?
The chorus. He has passed the law because he cannot honor a hero and a traitor with the same burial. (Burial is a privilege, not a right.)
2. How does the sentry act when he comes before Creon? What does this suggest about Creon's personality or reputation?
He is very afraid. Creon has a short temper, dislikes bad news, has a harsh personality.
3. What news does the sentry bring? Who does Creon think is responsible?

The sentry tells him that someone has sprinkled dust on Polynices' body. Creon suspects a man, an anarchist, may have bribed Creon's guards to do this.

4. What is the dramatic irony in this scene?

We know that Antigone has buried Polynices, but Creon, the Chorus, and the Sentry do not know.

Scene 2

1. Who does the sentry bring before Creon? How has the culprit been caught?
The sentry brings Antigone. The guards uncovered the body and waited for someone to come. Antigone came to rebury the body and was captured. She did not deny it.
2. What is Antigone's attitude toward death?
She does not fear it. It would be better than the suffering she has gone through.
3. Whom else does Creon want to question?
Ismene.
4. What has he decided to do with the sisters?
He has the guards take them away and keep an eye on them in case they try to escape. Antigone will be killed.
