Antivirus For Windows Xp Service Pack 2:

Windows XP Annoyances for Geeks David A. Karp, 2004-11-16 In an ideal world an operating system would do its job in the background while you did yours in the foreground In reality though operating systems often get in the way fouling up the process at the most inopportune times And Windows XP is no exception O Reilly's popular series for customizing and troubleshooting Windows once again comes to the rescue with Windows XP Annoyances for Geeks Offering dozens of on target tips workarounds and warnings Windows XP Annoyances for Geeks allows users to improve their overall experience with the Windows XP operating system in every way possible You'll learn how to use the Registry Editor how to customize the interface beyond Microsoft's own intentions and how to master Windows built in networking capabilities including advanced technologies such as Internet Connection sharing Remote Desktop sharing and virtual private networking And now with this updated edition you can also expect detailed coverage of the newly released Service Pack 2 SP2 technology SP2 is designed to make your work with the Windows XP operating system even easier and safer by providing superior protection against viruses hackers and worms Among the core SP2 components covered in Windows XP Annoyances for Geeks are Windows Firewall Pop up Blocker for Internet Explorer and the new Windows Security Center David Karp veteran author of several titles in the Windows Annoyances series is behind the wheel of this comprehensive guide as well Karp points out numerous SP2 related quirks and unaccountable behaviors that are guaranteed to increase your level of perplexity and frustration By recognizing these shortcomings Windows XP Annoyances for Geeks arms you with the knowledge to overcome them Karp leaves no stone unturned in providing the ultimate resource for the ever expanding Windows XP market As a result you'll be able to seize complete control of the Windows XP operating system instead of the other way around

Windows XP Hacks Preston Gralla, 2005 Each year Windows XP is pre installed on 30 million PCs sold in the U S and 90 million worldwide making it the world's most popular operating system and proving to frustrated users everywhere that preponderance does not equate to ease of use There are literally thousands of programs tools commands screens scripts buttons tabs applets menus and settings contained within Windows XP And it has only been in the last couple of years that Microsoft's documentation has actually been more of a help than a hindrance But it still isn't enough Windows XP users and administrators need a quick and easy way to find answers Plenty of books go into detail about the theory behind a particular technology or application but few go straight to the essentials for getting the job done Windows XP Cookbook does just that tackling the most common tasks needed to install manage and support Windows XP
