Social Studies for the Twenty-First Century Jack Zevin, 2013-08-21 Social Studies for the Twenty First Century Third Edition weaves theory curriculum methods and assessment into a comprehensive model to guide middle and secondary teachers in setting objectives planning lessons units and courses choosing classroom strategies and constructing tests for some of the field's most popular and enduring programs It offers practical interesting exciting ways to teach social studies and a multitude of instructional and professional resources for teachers The text includes separate chapters on teaching each of the major areas of the social studies curriculum Its reflective and integrative framework emphasizes building imagination insight and critical thinking into everyday classrooms encourages problem solving attitudes and behavior and provokes analysis reflection and debate Throughout the text all aspects of curriculum and instruction are viewed from a tripartite perspective that divides social studies instruction into didactic factual reflective analytical and affective judgmental components These three components are seen as supporting one another building the groundwork for taking stands on issues past and present At the center is the author's belief that the heart and soul of social studies instruction perhaps all teaching lies in stimulating the production of ideas looking at knowledge from others viewpoints and formulating for oneself a set of goals values and beliefs that can be explained and justified in open discussion New in the Third Edition Summaries of recent research particularly in history education that have been published since the last edition Increased attention to social studies standards as well as

those for civics economics and history An enriched view of teaching history and social studies with a wide array of sources ranging from material objects through primary sources on to art music and literature Tightening of the text to make it shorter and more pointed including a few provocative new ideas More and better organized ideas for classroom group and individual activities and cooperative learning Expanded appendices on instructional resources include the rapidly growing use of websites New visuals that are better integrated into the text and which teachers can use in their classrooms as lessons in visual literacy and Continued efforts to inject a bit of humor and self criticism into a field of education most students view as a sizeable trunk of dead and deadly facts Social Studies for the Twenty First Century Third Edition is a primary text for secondary and middle social studies methods courses

Teach! Change! Empower! Carl A. Grant, 2009-10-07 Teach Change Empower takes the concepts of diversity and change which are often complex abstract confusing and not salient to many teachers who struggle with the meaning of these concepts in actual classroom practices and uses them as a framework for something that is very real to teachers the achievement gap Barbara Heuberger Rose Associate Professor Miami University Readers are challenged to think about themselves and their role in addressing achievement gaps in a non blaming manner Carl Grant does an outstanding job of incorporating the work of a number of researchers Maria Whittemore Minority Achievement Coordinator Frederick County Public Schools MD Narrow the achievement gap by affirming diversity and engaging in a process of personal change The achievement gap illustrates restricted life chances and choices for many students and only by addressing these inequities can we enable all learners to reach their fullest potential Teach Change Empower provides a powerful step by step process for making the changes necessary to close the achievement gaps in your school This innovative resource offers a wealth of strategies and action plans to help teachers reflect on their own beliefs about diversity and power and turn those reflections into actions Educators can put into practice ideas that challenge the status quo including Culturally relevant curriculum and environments for students Caring with a social political consciousness within a culture of learning Cooperative professional development for teachers administrators and staff Democratic student involvement Initiate change in your classroom that fosters lifelong learning in yourself your students and your school
