Miller, 2019 Before the Civil War North Carolina was divided by the battle over secession Some state leaders remained loyal to the Union because they saw the potential for compromise with Northern states William Alexander Graham helped broker the Compromise of 1850 John Motley Morehead and Jonathan Worth led the campaign against secession in early 1861 Most continued to serve their state under the Confederacy Although Zebulon B Vance opposed secession he served in the Confederate army and as governor of the state during the Civil War Historian and author Steve M Miller tells the story of the Tar Heel Unionists who bravely fought to steer their state away from the disastrous future they foresaw

Mary Stephens Corbishley MBE, 1905-1995 Ian M. Stewart, 2010 This biography is about Mary S Corbishley who pioneered an unorthodox method of teaching young deaf children speech lipreading and English She believed that these three fundamental elements

formed an ideal beginning of preparing deaf children from an early age for higher education and after school life in the hearing world where they had equal rights with hearing peers She was a devout Christian woman whose calling for this enterprising adventure was inspired by the Bible and her faith in God As a young woman in 1929 she unexpectedly left home and embarked on a long journey which was to last for the rest of her life and career as a teacher of young deaf children Having courageously set up her Oral School for deaf children in 1939 she tirelessly fought against ignorance officialdom scepticism and prejudice and triumphed in establishing a well loved and highly praised School at Mill Hall in Cuckfield in 1948 which was to enjoy fame and a world wide reputation for 50 years until its much lamented closure in 1996 Her work revolved around deaf children whom she loved all her life

History of Great Britain and Ireland ... Ninth edition.

With a map Henry WHITE (B.A., Ph. D.),1868 **Met His Every Goal?** Tom Chaffin,2014-12-31 Soon after winning the presidency in 1845 according to the oft repeated anecdote James K Polk slapped his thigh and predicted what would be the four great measures of his administration the acquisition of some or all of the Oregon Country the acquisition of California a reduction in tariffs and the establishment of a permanent independent treasury Over the next four years the Tennessee Democrat achieved all four goals And those milestones along with his purported enunciation of them have come to define his presidency Indeed repeated ad infinitum in U S history textbooks Polk s bold listing of goals has become U S political history s equivalent of Babe Ruth s called home run of the 1932 World Series in which the slugger allegedly gestured toward the outfield and on the next pitch slammed a home run But then again as Tom Chaffin reveals in this lively tour de force of historiographic sleuthing like Ruth s alleged called shot of 1932 the four measures anecdote hangs by the thinnest of evidentiary threads Indeed not until the late 1880s four decades after Polk s presidency did the story first appear in print In this eye opening study Tom Chaffin author historian and since 2008 editor of the multi volume series Correspondence of James K Polk dispatches the thigh slap anecdote and other misconceptions associated with Polk In the process Chaffin demonstrates how the four measures story has skewed our understanding of the 11th U S president As president Polk enlarged his nation s area by a third thus rendering it truly a coast to coast continental nation state Indeed the anecdote does not record and effectively obscures complex events including notable failures such as Polk s botched effort to purchase Cuba as well as his inability to shape the terms of California s and the New Mexico territory s admission into the Union Cuba would never enter the federal Union and those other tasks would be left for successor presidents Indeed debates over the future of slavery in the United States debates accelerated by Polk s territorial gains eventually produced perhaps the central irony of his legacy A president devoted to national unity further sectionalized the nation s politics widening geopolitical fractures among the states that soon led to civil war Engagingly written and lavishly illustrated **Met His Every Goal** intended for general readers students and specialists offers a primer on Polk and a revisionist view of much of the scholarship concerning him and his era Drawing on published scholarship as well as contemporary documents including heretofore unpublished

materials it presents a fresh portrait of an enigmatic autocrat And in Chaffin s examination of an oft repeated anecdote long accepted as fact readers witness a case study in how historians use primary sources to explore and in some cases explode received conceptions of the past **Liberated Territory** Yohuru Williams,Jama Lazerow,2009-01-12 Essays on the Panther Party s local chapters as well as essays reconsidering the state of the field in 1960s Civil Rights black nationalist and popular history in light of these varied accounts of BPP chapters *Tragedy Plus Time* Philip Scepanski,2021-04-06 Following the most solemn moments in recent American history comedians have tested the limits of how soon is too soon to joke about tragedy Comics confront the horrifying events and shocking moments that capture national attention and probe the acceptable or sayable boundaries of expression that shape our cultural memory In *Tragedy Plus Time* Philip Scepanski examines the role of humor particularly televised comedy in constructing and policing group identity and memory in the wake of large scale events *Tragedy Plus Time* is the first comprehensive work to investigate tragedy driven comedy in the aftermaths of such traumas as the JFK assassination and 9 11 as well as during the administration of Donald Trump Focusing on the mass publicization of television comedy Scepanski considers issues of censorship and memory construction in the ways comedians negotiate emotions politics war race and Islamophobia Amid the media frenzy and conflicting expressions of grief following a public tragedy comedians provoke or risk controversy to grapple publicly with national traumas that all Americans are trying to understand for themselves **National Memories** Henry L. Roediger III,James V. Wertsch,2022 This volume brings together distinguished scholars to address broad societal claims about the surge in populist nationalism in the scholarly literature on collective memory Through an examination of conceptual claims and empirical evidence in the collective memory literature this book offers a multidisciplinary modern approach to studying these persistent challenges
