[in Football](#) Andy Piascik,2010-10-16 For ten years the Cleveland Browns compiled a better record and won more championships than any team in pro football history In their first game they set an all time attendance record and consistently drew the largest crowds of the post World War II era They dominated an upstart league and then silenced their detractors by doing the same to the NFL The Browns were led by Paul Brown a football visionary who changed pro football Most important among his innovations was the leading role the franchise played in the integration of pro sports While much of their competition continued with the racial exclusion of the past the Browns featured some of the greatest black players of all time men who were an integral part of the Cleveland dynasty The Best Show in Football The 1946-1955 Cleveland Browns Pro Football's Greatest Dynasty tells the story of those players and that dynasty Included in that story is the construction of the Browns as well as accounts of the team's many victories Dozens of interviews bring to life the exploits of Otto Graham Bill Willis Marion Motley Lou Groza Mac Speedie Len Ford Dante Lavelli Frank Gatski and so many others In rich detail The Best Show in Football demonstrates why Cleveland's dynasty was the greatest ever greater even than several teams that are usually accorded that honor The conclusions may be surprising but the evidence is all here And along the way author Andy Piascik provides a wonderful trip back to football's golden age **Tailgater's Guide to SEC Football** Chris

Warner,2000-08-09 The definitive guide to the nation's toughest football conference the Bible of SEC Football the fascinating history of the nation's toughest football conference told by one of the best storytellers In the business Dr Chris Warner Tailgater's Guide to SEC Football Volume V The definitive guide to the history and traditions of the 14 schools of the Southeastern Conference 2020 Contains profiles of great players and coaches school histories recipes famous alumni where to shop and golf etc The Bible of SEC Football 15-95 Paperback 320 pages Synopsis Dan Jenkins author and sportswriter simply summed up the popularity of the game of football in the South with the following statement To Southerners football is as essential as air conditioning The irreplaceable Voice of the Volunteers on radio during the 1950's George Mooney once stated No matter where I was broadcasting from I found the fans in the South to be knowledgeable fair and yes loud and frenzied They are very proud of their rich football heritage And they are very proud of their schools their teams and the deep pride that goes with being from the South Late legendary college football commenter Keith Jackson in describing the SEC Football experience once aptly stated that there are few instances of alleged entertainment and relaxation that can match a college football game in stirring the deepest flames of partisanship and outright provincialism And down South you can color

that partisanship passionate Southeastern Conference Football is the paragon of the college athletic experience During its storied 87 year existence the SEC has evolved into the most impressive league of organized intercollegiate gridiron competition in the history of the United States No other Football Bowl Subdivision FBS conference can boast of the many accolades and attendance records that the SEC currently holds Furthermore the Southeastern Conference has produced more All American football players than any other conference This book is dedicated to all the Southern people who live for Saturdays in the fall for those individuals who plan their business and personal engagements around their favorite team s football schedule for those who always experience a rise in their body temperature when they enter the stadium for those who shed a tear during the singing of their alma mater and especially for those who know all the words to their school s fight song It is for the people who wake up early on Sunday morning after a win so they can read each and every one of the sports columns about the game they witnessed the day before It is for all those who enjoy good company and good food in the parking lot before the game as much and if not more than the food and company at a fancy restaurant These things that we hold dear all true SEC fans know and love and look forward to each autumn It s that time of year when the heated summer temperatures begin to fade and yield to colder days when the leaves begin to change color and when the youthful partisan spirit within us all crackles like the kindling of a well planned winter fire
